# GC Steel Names Three New Staff Heads In Sales Dept.

The promotion of three men to head new staff departments in the sales organization of the Granite City Steel Co. was announced today by John A. Leschen, vice-president of sales.

Fred L. Rupp has been appointed product sales manager and will continue to serve as product manager — galvanizing as well as supervising product managers for four other major groups of the company's flat rolled steel products. Earl R. Lewis has been appointed market research manager and Charles J. Rodell has been appointed order service manager. All reside in Granite City.

Leschen said these promotions and others to be announced later are designed to strengthen Granite City Steel's sales and marketing organization and provide stronger support and services for the company's sales offices, which are located in 10 cities in the midwest, south and southwest. The new general office organization, he said, "was developed to help anticipate and meet customer needs and create broader markets for our plates, sheets and other flat rolled steel products."

## Resume Of Officials

The vice-president gave the following resumes of the new officials:

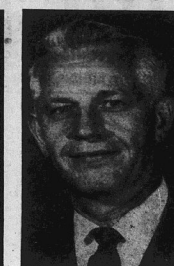

Mr. Rupp has been a leader in steel industry promotions of the uses of galvanized steel sheets. He started with Granite City Steel in 1934 and moved into sales after four years in the company's production department. He has been a salesman in the general office and in the Kansas City district sales office and manager of the Dallas district sales office. He was appointed product manager in 1951. He is married, has two children and lives at 68 Oaklawn drive, Granite City.

Mr. Lewis, the new market research manager, will head a department responsible for market

studies and development and allied activities. He started in the orders department at Granite City Steel in 1932 and moved into sales in 1936. He was appointed assistant to the general sales manager in 1947 and assistant to the vice-president in charge of sales in 1949.

Mr. Lewis is a member of the Granite City Scholarship Foundation, Inc., and was chairman of the industry division of the

1961 Tri-Cities Area United Fund drive. He is married, has one child and lives at 1300 Twenty-seventh street in Granite City.

Mr. Rodell started with Granite City Steel in 1946 after serving in the U.S. Army during world war II. He moved from the galvanizing and warehousing department into sales in 1947 and was appointed chief clerk in the company's general office

sales department in 1952. He is a director of the National Management Association and a former president of the St. Louis Area Council of N.M.A. Clubs.

Active in Boy Scout work, Mr. Rodell has attended national training schools for Scout leaders and is a post advisor for the Cahokia Mount Boy Scout Council. He is married, has two children and lives at No. 9 Del Rio drive, Granite City.

## Rededication Ceremony Held By Girl Scouts

A rededication ceremony for Girl Scouts was held Wednesday at Lee Park in Venice with 57 girls and their leaders participating.

The ceremony opened with a song by the senior girls and the Scout promise. The girls told of their experiences during the past summer at the camps and refreshments were served.

affairs and other factors tentative until full agreement has been reached on all matters, including wages.

While no legal commitment was given prior to past agreement signings, the board to a great degree obligated itself to provide specific benefits many of them at increased cost, well before salary levels were settled.

With Building Service Employees Local 98 Business Agent Al Ward Jr. and President Merrill Lindsey commenting frequently during the regular meeting, occasionally attempting to persuade the board of the justice of some of the requests, a halt was called while the board decided on the board of the exchange of conversation.

The two union officials were limited to clarifying remarks on the requests as Dr. Kaiser reviewed old benefits and explained new proposals. Local 98 represents both custodians and cafeteria workers, both of whose previous agreements were expiring June 30. Terms of new agreements are to be retroactive.

During Tuesday's adjourned meeting—a continuation of the Sept. 10 session—board members were shown samples of written suits prepared by Coach James Morrison for the high school football team.

Mr. Ida Mae Lewis, mother of Earl R. Lewis, manager of market research for Granite City Steel Co., died about 4 a.m. today at an Alton hospital where she had been in a coma for a week. Mrs. Lewis, 92, had been a patient at the hospital since October 1961.

A native of Pough, Mrs. Lewis lived at Stalling before moving to Granite City 39 years ago. Before entering the hospital, she lived with her son at 1300 Twenty-seventh street. Her husband, David Lewis, died in 1935.

Other survivors include another son, Ernest Brown of Granite City; a daughter, Mrs. Daniel (Dolly) Davis of Rochester, Mich.; a sister, Mrs. Minnie Richardson of Granite City; nine grandchildren, 15 great-

grandchildren and two great-grandchildren.

She was preceded in death by three children: Pearl Lewis, Curtis Brown and Mrs. Pearl Adams.

Funeral arrangements are given in today's obituary column.

# GC Council Oks \$3195 Drainage Line Installation

Installation of a drainage line from Vesel and Lynch avenues in Cloverview subdivision to a trunk line in the new Ponton Plaza area to the east was authorized Monday night by Granite City council members.

Accepted was a bid of \$3195 submitted by A. H. Seebold Co. Another bid of \$3240 was proposed by General Contracting Co. The low bid was accepted by a vote of 8-to-6.

The project, it was pointed out by G. H. Sternberg, chairman of the Street and Alley committee, was included in the city's new budget.

Opposition Voiced  
However, opposition voiced by Alderman Casner Skubish, who said there had been an objection to a similar project along Edna street for a number of years. Sternberg said the Vesel-Lynch drainage problem had been created by the city.

Alderman Walter Nott also objected, pointing out that the project for Nevada avenue had been in an earlier budget and had been rejected.

Skubish added that if the city went through with this project, it would be demanding that others and that the city could not afford to carry out such a program. He said the Cloverview problem should be the responsibility of the developer.

A question by Alderman Donald Partney also was debated. He asked where the water from the Ponton Plaza area would flow and was told it would flow into a nearby field. He said he recalled that a drainage pipe under the nearby Alton and Southern Railroad tracks, which drained the field, had been plugged by a farmer who in the past had refused to permit the line to be opened.

W. Pearson of the city engineering staff was called upon for his views and said the line under the railroad tracks was in the jurisdiction of the East Side Levee and Sanitary District.

The remainder of the drainage line was approved by Alderman Partney, Paul Rutledge, Samuel Whitmer, Fred Johnson, Clyde Boyd, William McGee, Charles Moerlein and Sternberg. Opposed were Walter Nott, Skubish, Steve Basarich, Mrs. Gabrielle Betine, Edmund Bartosia and J. D. Bergfeld.

Annexation Delayed  
Before the drainage line bid contract was awarded, the council delayed approval of a petition and ordinance for annexation of a 172-acre tract of Ponton Plaza subdivision, submitted by Leo and Sara Wolf. Atty. Randall Robertson was representing them at the meeting.

The ordinances for annexation and planning were submitted for final approval, but Alderman Partney, chairman of the Planning committee, said the petition had not yet been reviewed by the committee relative to sewer connections and drainage.

It was brought out that approval by the City Plan Commission is usually called for the attention of the city council's Planning committee, but there may be an oversight on the part of the Ponton Plaza proposal. The petitions and ordinances were placed on second reading and are to be resubmitted next Monday night.

Robertson agreed to the delay and expressed his regret that the petitions and plans had not been presented to the city committee for review.

## 'Jackie' Nicola Gets 1-3 Years For Local Holdup

Jackie Nicola, 22, of Granite City was sentenced to a term of one to three years in the Illinois prison for women at Dwight yesterday in Madison county circuit court at Edwardsville.

She pleaded guilty to armed robbery last Jan. 24 at the Parkway confectionery, 2701 Michigan avenue. She was granted a stay on the sentence until Oct. 15 to permit her to settle family responsibilities.

The stay was granted on condition she remain in the Granite City area. Her trial had been scheduled for Tuesday, but she failed to appear. Court officials said she was in Peoria.

The case originally was due for trial last April, but continuances were granted. She was connected with James Edward Jackson, 19, formerly of Granite City, who was charged with the Hazel Cline of \$278 and a \$45 check, threatening her with a shotgun.

**Fails To Appear**  
While out on bond, she and three others were arrested by Granite City police during a 6 a.m. brawl in the middle of the street in front of 1837 State street.

Also ready for trial Tuesday morning was an attempted murder charge against Daniel Apone, 43, of No. 6 Jones Park, charged in the July 3 shooting of Andrew Mack. Apone failed to appear in court either Monday or Tuesday morning, but was found in the courthouse building Tuesday afternoon.

He was lodged in the county jail and his bondsman was released of further responsibility. A court spokesman said his case may be heard within a short time.

**Cases Continued**  
Continued until Monday were cases of Guy Wallace, 23, of 2829 Wilson avenue, charged with aggravated battery in the June 30 shooting of William Dinkins, 33, of Alton, during a Madison traffic accident.

Bobby Lee Hayhurst, 32, of 2811 Emme street, charged with aggravated battery in the May 24 neck-slashing of Larry Dye, 27, of 3040 Buxton avenue.

Paul Jackson, 36, of 1037 Bissell street, Venice charged with burglary at the Madison Garrett tavern on April 23.

Harvey Lee Wright, 20, of 708 Jefferson street, West Madison, charged with the rape of a 19-year-old East St. Louis girl, remained as a fugitive, and James Davis Jr., 18, of 1018 Douglas street, Venice charged with burglary at the Madison Garrett tavern on April 23.

Others listed on Monday's criminal docket include Joseph McDonald, 51, of New Orleans, charged with the Aug. 11 murder of his wife near the Fairmount race track; Carolyn Joyce Brush, 20, of Hillside, Mo., whose husband was shot and killed by Granite City police last April charged with theft.

Earl Simpson Davis, 20, of 1005 Fifth street, Madison, charged with the June 6 burglary of Lucille's tavern and Jerry K. Jordan, 18, of 1740 Marquette street, Madison, charged with David who is an inmate of the state prison farm at Joliet.

William Lucas Jr., 17, of 105 Hill street, Eagle Acres, and Melvin Lowery, 17, of 401 Layton road both in the armed forces out of the state charged with attempted rape.

Thomas M. Hanny Jr., who is in the armed forces and unavailable, and Paul R. Staton, who continues to be a fugitive, charged with burglary of Branding's service station on June 7.

## Air Pollution Committee Authorized By GC Council

A special city committee to work with state and federal agencies for abatement of air pollution was authorized Monday night by Granite City council members.

Alderman G. H. Sternberg, sponsor of the resolution, pointed out the city needs to lead the way toward cleaning the air and not to rely on industries to do the job for it.

The committee is to include three aldermen and two residents with technical background.

One of the first duties will be to study the city's present flyash control ordinance to determine if revisions are necessary.

The committee also is to work with state and federal agencies to determine the sources of pollution and to submit its recommendations to the council.

Harian Dobry, manager of the Tri-Cities Chamber of Commerce, who was in the audience, was called upon to explain what was being done in the metropolitan area. He advised the council that an initial study by the U. S. Department of Health to determine the amount of pollution in the air has been completed and that instruments were being placed basarich said the city would have no control over the industries and other sources outside the city limits and that he could not envision clean air in an industrial community.

Sternberg emphasized that while metropolitan surveys were under way, it also was necessary for the city to take part and establish a continuing program.

The council did not submit recommendations for committee membership, but it was indicated the names would be presented at an early date.

**Steelworkers Resume Talks With Dow Metal**  
Negotiations between United Steelworkers Local 4804 and Dow metal Products Co., Madison, resumed this week at the federal mediation office in St. Louis.

Sessions yesterday and today were the first since the talks broke down last Thursday during the third bargaining sessions.

The strike by Local 4804 is in its 20th day after the steelworkers walked out at midnight Aug. 30. The union went on strike for two weeks at Dow in 1961 and for a month in 1956.

The plant is a division of the Dow Chemical Co. There are about 700 members in the union.

## Hohl Bids Low To Sell 2 Trucks To Street Dept.

Purchase of two dump trucks from B. E. Hohl, Inc., was approved Tuesday night during the adjourned meeting of the Granite City council. Four bids had been opened at Monday night's session and referred to the Street and Alley committee.

Hohl's bid of \$6471 was the lowest of the four. Others were \$6700 from Mathews Chevrolet Co., \$6785 from Brewer Motor Co. and \$6540 from Ray Rixman Co.

One of the two street department trucks to be traded for the new one is a 13-year-old model owned by the city.

The bids were presented to the committee chairman, C. H. Sternberg, who also submitted three bids for repairs to a privately owned auto damaged by a street department vehicle.

The auto belonged to Ray Rixman, 27, of 1821 Spring avenue, died at 7:10 a.m. yesterday at St. Elizabeth Hospital. He had been ill three days.

**Report On Surplus Items**  
Sternberg reported Monday night that he has received names of three government deposits where the city might be able to acquire an air compressor and a road grader at surplus sales.

The chairman said he would make inquiries. The city is planning to buy a grader and a compressor for the street department.

The chairman also reported it would cost about \$150 for the street department to repair the private driveway at the Bronnhauser home, 3022 Myrtle avenue. The work was authorized.

Alderman Casner Skubiah pointed out the driveway was steep due to improvement to the street and that the family's auto was being damaged.

Authorization was granted for Illinois Power Co. to excavate downtown streets in order to convert its present low pressure gas system to a high pressure system.

## F. C. Farrance Dies; Native Of England

Frederick Charles Farrance, 57, of 1821 Spring avenue, died at 7:10 a.m. yesterday at St. Elizabeth Hospital. He had been ill three days.

He was an upholsterer for Fisher Body Co., Detroit, Mich., before retiring. Born in Dorset, England, he lived in Granite City 10 years.

Survivors include a son, John Farrance, of Granite City; a brother, Nelson Farrance of Ontario, Canada; three sisters, Mrs. E. Wright of Ontario, Mrs. Merrill Powell and Mrs. E. Hall, both of Toronto, Canada; and three grandchildren. Patricia, Dennis and Deborah Farrance. His wife, Joyce, died in 1953.

He was a member of the Mount Zion General Baptist Church.

Funeral services are listed in today's obituary column.

## GC Aldermen Reject 8-7 Taxi Fare-Zone Changes

The taxicab fare-zone ordinance, pending since early July, was voted down Monday night by Granite City council members.

Alderman William McGee called for further meetings between the council and the taxicab owners, pointing out the firms were in need of additional revenue to stay in business.

An urgent appeal also was made by a former taxicab owner, Clifford Stephens, who said Granite City had the lowest taxi fares in the area and that unless added income was forthcoming a strike by the drivers, members of the Teamsters Union, would be inevitable.

A representative of the union told the Press-Record that drivers now receive 43% of the fares collected, but that no increase could be given the drivers unless fares were increased. He pointed out Granite City is the only community in the union's area in which there is no extra charge for more than one passenger on the same trip.

Both the union representative and Stephens said the companies could not keep drivers and would be forced out of business if the new fare-zone proposal was not approved.

The union official said the city had no record of the fare-zone ordinance and that he had to supply the council with a copy of it.

**Council Objections**  
In opposing the change, which would shorten the 50-cent zone from Nameoik road to 26th street and to August street, Alderman Casner Skubiah said the proposed 75-cent fare would work a hardship on a large number of riders. The fares would range from 50 cents in Zone One to \$1.50 in Zone Five.

The taxicab owner pointed out Zone One included West Granite and Lincoln Place and the downtown area, extending to 26th street and to August street. He said a trip from the cab stand to Kirkpatrick Homes and back was four miles and that the present 50-cent fare did not cover all the costs.

The ordinance was submitted to the council by Ordinance Committee Chairman Walter Norn, who made no recommendation. "It's on the floor," was his comment.

It was brought out that a number of taxi patrons were not objecting to the change. Skubiah said he had heard others complain that the basic fare for the major portion of his Sixth Ward would be up 50%.

Voting for the new fare-zone proposal were Aldermen Deakay, Partney, Paul Rutledge, Samuel Whitmer, Edmund Bartosik, J. D. Bergfield, William Dallas and McGee. The eight aldermen opposing it were Norn, Skubiah, Steve Basarich, Mrs. Gabrielle Estine, Ford Johnson, Clyde Boyd, Charles Moerlein and G. H. Sternberg. Absent was Alderman Thompson.

**What happens if you don't cash in your Savings Bonds when they come due?**

You pay \$37.50 for a Series E Savings Bond and in 7 years and 9 months it grows to \$50.

But what if you don't cash it in? Fact is it keeps right on growing. At the current interest rate, when it's 20 years old it will be worth \$53.66. At 25 years its value will be \$64.52. And at 37 years and 9 months, \$72.50.

There's no trick at all to letting your E Bonds work overtime for you. You don't even have to remember to renew them. The Treasury Department does it automatically.

And while your growing Bonds are making you richer, they're helping keep America strong in a world where

strength to stand up to the enemies of freedom is imperative. Buy Bonds where you work or bank and see if you don't feel pretty good about it.

**Important facts about U. S. Savings Bonds**

- You get \$4 for every \$3 at maturity.
- You can get your money anytime.
- Your Bonds are replaced free if lost, stolen or destroyed.
- You can buy them where you work on the Payroll Savings Plan.

### Junior Service Club Studying Civil Defense

The Granite City Junior Service Club held its first meeting Monday evening in the civil defense building. Preceding the regular meeting, the members attended the first in a series of one-hour lectures on civil defense.

They were shown a film on radiological defense by a member of the local CD organization. There will be four more such meetings.

The business session was conducted by the president, Mrs. Bernice Fitzpatrick, and reports were given by Mrs. E. A. Burns, Mrs. Peggy Komandor, and Mrs. Marabeth McConnell. The president took reservations for the federation luncheon to be held at Rusty's restaurant in Edwardsville, Sept. 21.

Miss Kathleen O'Connell was named chairman of a special party to be held for prospective members in October. Plans will be Halloween, and final arrangements will be completed later.

Mrs. Jean Ann Vrenick, chairman of the flea market Sept. 22 at the parking lot of the Trust and Savings Bank, listed chairs and committee members who will participate.

Following the meeting, a white elephant auction was held among the members. Refreshments were served by Mesdames Fredrick, Evelyn Morris and Mary Schaffner.

The next board meeting will be held Oct. 14 and the club meeting will be Oct. 21 at the CD building.

### Home Extension, Bluff Unit, Installs Officers

The newly-elected officers were installed at the Home Extension, Bluff Unit, Wednesday at Pleasant Ridge hall.

They were Mrs. Esther Hays, second vice-president, and Mrs. Effie Johnson, treasurer. The installation ceremony was conducted by Mrs. Opal Meyling.

The members discussed the roll call with favorite recipes, and recipes were exchanged.

Mrs. Mary Hastings gave the health lesson and Mrs. Elsie Stephens reported on legislation. The minor lesson on "School Bus Safety" was presented by Mrs. Goodman.

Mrs. Connie Slay, a representative from the Madison County Chapter of the American Cancer Society, spoke to the group concerning her work and the cooperation of those making the cancer dressings and supplies.

Luncheon was served to 18 members and five guests by Mrs. Linda Weseman and Mrs. Ann Mulloy, and the members were invited to the home of Mrs. Mary Hastings, 2525 Adams street, for the next meeting, Craft Day, Oct. 2.

### Marshall PTA To Change Its Meeting Night

A change in the meeting night was voted at the Marshall school PTA held its first meeting of the 1963-64 year Monday night. The opening was by President Chester Swieckel and Boy Scout Troop Three presented the flag under the direction of Lewis Labory.

Miss Mary Hopkins, principal, introduced the faculty and Miss Eleanor Waddington's first grade room won the attendance banner.

Speakers on the program were Mrs. V. S. Brazier, state education official in Springfield, and Dr. Raymond E. Troyer of Southwestern Illinois University. Mrs. Brazier spoke on PTA objectives and Dr. Troyer's topic was "Your Child and His Teachers."

Refreshments were served by the PTA executive committee. During the meeting, it was agreed to move the regular meeting night from the third Monday to the third Tuesday of each month.

### McKinley PTA Members Hear Homework Talk

Homework was the major topic at the McKinley school PTA met for the first time this year Tuesday evening.

Mrs. Norris Mobley introduced the newly-elected officers and Lee Reid, school principal, introduced the faculty.

Mrs. Lewis Baker was elected as picnic chairman during the business meeting, and the members also voted to purchase raincoats for the safety patrol boys. Distribution of program books was held.

The 1963-64 budget was discussed and Vauld Georgeoff reminded the parents of the crossing guard at 22nd street and Madison avenue.

Mrs. Velma Christian gave a short explanation of throat culture, and Reid spoke on "How To Help Your Child With Homework." Refreshments were served.

### Boyer Seated As Head Of K. Of C. 4th Degree

Marvin Boyer, 1561 Rodger avenue, was installed as faithful navigator of the fourth degree assembly of the Tri-City Council 1088 of the Knights of Columbus during ceremony last night at the K. of C. home. He succeeds Leo Portell.

Others installed were James Childers, faithful captain; Robert Plantz, faithful pilot; Portell, faithful admiral; Charles Svoboda jr., faithful commander; Anthony Mangiaracina, inner sentinel; and James P. Worthen, outer sentinel.

The installing officer was John Straubinger, former faithful navigator, who substituted for Robert Moissner of Reese, worthy master of the Southern Illinois district, who was unable to attend.

A discussion was held on a smoker scheduled for October 12. Members interested in advancing to the fourth degree and their wives. Purpose of the assembly will be explained.

Final plans were made for the annual fourth degree picnic set for Sunday at the American Legion, 22nd street, near Belleville. Serving will begin from 12 p.m. Chicken, pork steaks, hot dogs, various salads and refreshments will be provided.

Two members of the Collinsville assembly, attending as guests, suggested an exchange of letters and a close working arrangement between the two assemblies.

Boyer announced that a corporate communion and breakfast, which was scheduled for Sept. 29, has been cancelled.

### Paul McNaney Found Hanged At Glen Carbon

Paul McNaney, a Glen Carbon carpenter, and former Granite City, was found hanged to death about 3 p.m. yesterday in a shed near a home where he lived with a friend.

An inquest is pending. Madison County Deputy Coroner Henry Pieper said the body was found by children on their way home from school. They informed James Thompson, with whom McNaney lived, when he arrived home from Edwardsville at approximately the same time.

The efforts to remove the body to revive the man failed. Private services are planned.

### State Officers Visit DUV Tent 90 First Guest Day

A meeting of Sarah Jane McEvers Tent 90, Daughters of Union Veterans of the Civil War, was held last night at the Rose Bowl.

This was the first guest day party of the Tent and dinner was served to 25 members and guests, including several special guests.

Mrs. Mary Tulley, Department president of Illinois, and Mrs. Marianne Tulley, Department secretary of the state.

Mrs. Minnie Rowley, Tent chaplain, offered prayer and the group was seated at tables decorated with arrangements of flowers of the state flowers with autumn shades. The same colors prevailed in the favors which were small baskets, replicas of the larger arrangements in the center of the table. Mrs. Pearl Ward served as chairman of the decorating committee.

Mrs. Hazel Lamer, president, welcomed the guests and introduced the officials and a new member, Mrs. Emma Hubler. The Department president is making her official visit to the Tents in this area. There are three Tents in the Tri-City area.

A list of members of accomplishments of the Tent was given, including a letter received by the Civil War Centennial Committee requesting that Mrs. Sylvia Turner be present at the State convention to receive special honors for her work as chairman the past few years. Also the Centennial flower beds in Granite City were discussed.

Mrs. Lamer presented gifts to the two special guests. A program consisted of a reading by Mrs. Gussie Cheatham, "The Flag Speaks," and an article entitled, "I Am Your Flag," read by the patriotic instructor Mrs. Golda Mohrman. The state president addressed the group on the Maywood Home it supports.

### DAV AUXILIARY INITIATES MEMBERS

The DAV Auxiliary met last night with Commander Helen Miller in charge.

Two new members were initiated at the meeting. They were Mrs. Tina Clements and Mrs. Wilma Dorich.

Plans were made for a party at the Madison County Sanatorium in Edwardsville Sept. 30 and other business was discussed. Prizes were presented to all of the members.

Hostesses were Mrs. Miller and Mrs. Lillian Hefferly.

### ATTENDING MOOSE CONVENTION

### hat dance at the 153rd anniversary Mexican Independence

There is a celebration held at the Germania House, St. Louis, during the weekend by the Mexican Society Benito Juarez.

A program featured Mexican regional songs and dances and the Columbia junior high school Latin American ensemble under the direction of Robert D. Todol.

After the program, dancing to orchestra music, refreshments and authentic Mexican food were enjoyed by 1500.

### HONOR WINNING TEAM

The Mexican American softball team played its last playoff game Sunday afternoon at the ball diamond at 1800 Poplar street, winning 18-13 from the Green Doors of St. Louis. Louis Recerra, Mercer Mendoza and Anthony Boll hit home runs and Tod Antoff hit a triple. Winning pitcher was Leon Sanasarian.

Coach Joseph Martinez was presented with two 36-inch trophies for the playoff and season championships, by Hank Mendoza, president of the league.

After the game, the winning team and the families were honored with a chicken dinner by the sponsor, Ernie and Annie's, about 40 attended.

### VISITING BISHOP

HONORED AT DINNER  
The Mr. and Mrs. club of St. Gregory's Armenian Apostolic Church had as its honored guest His Grace, Bishop Hrant Khatchadourian, at a gathering at the Rose Bowl Monday evening.

President, Robert Parsarghian welcomed the bishop to the community on behalf of the club. The bishop addressed the group, followed by a short talk by Rev. Gorin Shrikian.

Refreshments were served. Bishop Khatchadourian and Rev. Shrikian joined the meeting. Attendance totaled 28.

### MEET WITH BISHOP

The Armenian Church Sunday school teachers and the Armenian school board met with His Grace, Bishop Hrant Khatchadourian, Tuesday evening at the St. Gregory's Armenian Apostolic Church basement. Purpose was to arrange the schedule and work plans for the coming year.

Present were Mrs. Mary Bedian, and Marie Lottman, daughter of Mr. and Mrs. Paul Lottman, 1649 Madison street, representing the Mexican Honorary Commission in Granite City, participated in a Mexican

## Chain Reaction Started By Home Remodeling Projects

(First of two articles)  
Contrasting approaches have brought the same end result for two Granite City families—Mr. and Mrs. Roger Fritz and Mr. and Mrs. Matthew Gasparovic, whose modernized homes in one of the older neighborhoods have become models for the city.

The frame Fritz residence at 2258 Cleveland blvd. has been renovated with the aid of a contractor, while the brick Gasparovic home at 2116 Cleveland blvd. has been improved principally by the "do it yourself" method.

Each family has been successful in giving its dwelling an appearance entirely different than its age would indicate. Both plan additional improvements.

**Meet Community Need**  
It is generally conceded that a community needs to maintain or refurbish its original sections as well as offering entirely new housing in its fringe areas. The fringes become farther and farther away from the heart of the city, and the neighborhoods already existing cannot be "written off" merely because of their age.

The two homes cited are regarded as among the most outstanding examples of what can be done to "spruce up" an older home, and they have set off a chain reaction of other residential remodeling projects—both nearby and in other parts of the Quad-Cities.

It is really worthwhile to tackle the task of bringing "youth" to an old building? Both families think so, even after experiencing at first-hand the trials and tribulations unavoidably encountered.

**Spacious, Inexpensive**  
Advantages include reasonable cost and the spaciousness found in homes built several decades or more ago.

The 50-year-old residence at 2258 Cleveland—subject of today's article—was occupied by the Fritz family five years ago when it moved here from Ohio. Fritz is an agent for the Federal Bureau of Investigation, assigned to the St. Louis office.

Remodeling began about a year and a half ago, with the "heavy work" handled by Contractor Wade Baker.

The contracting company removed the existing front porch, which extended across almost the entire front of the house; replaced wooden beams in the basement with steel I-beams; performed concrete work for a new front porch and for a planter installed in front of the porch; repaired a dormer window in a third floor attic; and widened doors of closets on the second floor.

**Mrs. Schmedake Dies After Year's Illness**  
Mrs. Robert (Minnie) Schmedake, 67, of 2828 Iowa street, died at 6:05 p.m. Tuesday at St. Elizabeth Hospital where she had been a patient two weeks. She had been ill for the past year.

Born in Pearl, Ill., she lived in Granite City the past 27 years. She attended the Presbyterian Church.

Survivors include a son, Virgil Sykes of Alton; four daughters, Mrs. Eugene (Doris) Lawrence of Wood River, Miss Dorothy Schmedake of Washington, C., Mrs. Shelby (Evelyn) Davis of Miami, Fla., and Mrs. Ruth Barnard of Los Angeles, Calif.; a brother, Nelson Shelton of Springfield, 11 grandchildren and 11 great-grandchildren.

Her husband died in 1958. Funeral arrangements are in today's obituary notices.

## Mostly About Churches

By JOHN W. ALLEN  
Southern Illinois University

One day in late December 1811, two recorded incidents, out of the ordinary and disconnected, occurred at a place then called Fiddlers Green.

This strange place name had been given in 1800 to a spot on the Ohio River by an itinerant schoolmaster named Pitou. The place must have appealed to the wandering teacher, at least enough so that he paused to teach a subscription school for which he was paid mostly in pelts. These were shipped downriver to New Orleans to market. To add to his meager salary, Pitou grew vegetables for sale to passing flatboatmen.

In time Fiddlers Green shed its first strange name and was alternately called Lusk's Ferry or Lusk's Tavern. Before many years a village was laid out and called Sarahville, named for the wife of its promoter. A marker on the courthouse grounds tells something about the lady.

After another short interval, from some reason not clear, the young village was reserved and given the name of Corinth, in the stead of Sarahville. This name, held by the village less than a week, was changed to the present one of Golconda "in the stead of Corinth." The town's present name, about its sixth one, is borrowed from a fabled city in far away India. One may reasonably assume that Golconda will be its permanent listing, at least, held by the village for about 150 years. Thus Fiddlers Green of 1800 is Golconda of 1963.

**A Minister Arrives**  
One of the events alluded to was the arrival of a steamboat, the first steamer to invade the western waters, and thereby usher in the glorious steamboat age. The second incident referred to was the arrival of a Presbyterian minister, the Reverend Mr. James MacGready, who had come from the region of Cumberland Gap by way of the Wilderness Road. He said he was traveling for "observation and opportunity." The arrival of a minister in the community was of significance. A number of persons were pleased to have him and urged that he stay and preach for them. He did so.

After a short stay in the vicinity of the ferry, MacGready moved along to the locality of present-day Enfield where he found several Presbyterian families he had known before he came to Illinois. Among these were the families of two Rutledge brothers. In the family of one of these was a daughter Ann, whose name was later to be associated in romance with that of Abraham Lincoln.

Rev. Mr. MacGready's work in the vicinity of Enfield resulted in the establishment there of a Presbyterian church, the first organized group of that faith in

Illinois. A short time later, at Enfield, the results of MacGready's stay in the Golconda vicinity, a second Presbyterian church was formed there. When Old Sharon Church at Enfield ceased to function, the one at Golconda became and remains the oldest operating one of its faith in the state.

The church at Golconda was formed on the direction of Nathan V. Darrow, Y.C.M., "Missionary from Connecticut." This was "on the Lord's Day, the 24th of this month (October 1819)." This church was formed by 16 persons making Confession and Covenant. The building now in use by the Golconda congregation was built in 1869.

**Articles Of Confession**  
Records of these and other early churches indicate that church discipline and practices were somewhat rigid. The minute books of another Pope County church (Baptist) support this conclusion. In order to become a member of this church it was necessary that the prospective member subscribe to the following Articles of Confession, the interpretation of which often aroused sharp arguments.

1. The New Testament is the only safe guide of conduct.

2. There is only one true God.

3. All people are fallen and depraved.

4. All salvation, regeneration, sanctification, resurrection, ascension and intercession come from the death, resurrection, ascension and intercession of Christ.

5. One who endures to the end is saved.

6. Punishment of the wicked is eternal.

7. Communion is only by those baptized by immersion.

8. The sanctity of Sunday, the first day of the week, is affirmed.

9. There is to be a resurrection of the body.

10. All should be tender and affectionate, one toward another.

Their "Rules of Decorum," eight in number, adopted to regulate the conduct of their business sessions were brief and rather pointed:

1. All meetings are to be opened and closed by prayer.

2. Only one person may speak at a time.

REV. DAROLD HILL of Effingham, who will speak at a revival Sept. 25 through Oct. 6, from the Central Free Methodist Church, 22nd and State streets.

**Evangelist To Speak At Free Methodist Church**

Rev. Darold L. Hill of Effingham will speak at revival services to be held Sept. 25 through Oct. 6 at the Central Free Methodist Church, 22nd and State streets.

The evangelist preacher will speak at 7:30 p.m. services each evening and at 10:30 a.m. services on Sundays. The public is invited to attend.

After a short stay in the vicinity of the ferry, MacGready moved along to the locality of present-day Enfield where he found several Presbyterian families he had known before he came to Illinois. Among these were the families of two Rutledge brothers. In the family of one of these was a daughter Ann, whose name was later to be associated in romance with that of Abraham Lincoln.

Rev. Mr. MacGready's work in the vicinity of Enfield resulted in the establishment there of a Presbyterian church, the first organized group of that faith in

Illinois. A short time later, at Enfield, the results of MacGready's stay in the Golconda vicinity, a second Presbyterian church was formed there. When Old Sharon Church at Enfield ceased to function, the one at Golconda became and remains the oldest operating one of its faith in the state.

The church at Golconda was formed on the direction of Nathan V. Darrow, Y.C.M., "Missionary from Connecticut." This was "on the Lord's Day, the 24th of this month (October 1819)." This church was formed by 16 persons making Confession and Covenant. The building now in use by the Golconda congregation was built in 1869.

**Articles Of Confession**  
Records of these and other early churches indicate that church discipline and practices were somewhat rigid. The minute books of another Pope County church (Baptist) support this conclusion. In order to become a member of this church it was necessary that the prospective member subscribe to the following Articles of Confession, the interpretation of which often aroused sharp arguments.

1. The New Testament is the only safe guide of conduct.

2. There is only one true God.

3. All people are fallen and depraved.

4. All salvation, regeneration, sanctification, resurrection, ascension and intercession come from the death, resurrection, ascension and intercession of Christ.

5. One who endures to the end is saved.

6. Punishment of the wicked is eternal.

7. Communion is only by those baptized by immersion.

8. The sanctity of Sunday, the first day of the week, is affirmed.

9. There is to be a resurrection of the body.

10. All should be tender and affectionate, one toward another.

Their "Rules of Decorum," eight in number, adopted to regulate the conduct of their business sessions were brief and rather pointed:

1. All meetings are to be opened and closed by prayer.

2. Only one person may speak at a time.

3. One must not interrupt the speaker.

4. The speaker must adhere to the subject.

5. No one may speak more than three times on any one subject.

6. There must be no whispering or laughing.

7. Members must be addressed as "brother" or "sister" (Sister not mentioned).

8. No one may absent himself without permission of the moderator.

## Madison Schools May Lose \$12,000 In Federal Funds

The Madison school district may lose about \$12,000 a year in federal funds if Congress amends Public Law 874, the federally impacted areas act, Wensel Brown, superintendent of schools, told members of the school board Tuesday night.

An amendment being considered in Congress would require that parents of at least 5% of the enrollment be employed by the federal government at certain installations in metropolitan area, based on average daily attendance.

The current requirement is 3%, and the school district percentage this year is 4.96%, Brown said, adding that nearly 150 of these students were enrolled last year.

"We would sure miss the money," Brown said. John Bellcoff, board president, called for a thorough screening of the occupations of parents to assure that the district is credited with all such children in attendance. Included would be federal employees at the Army Depot, and civilian employees at the Granite City Army Depot.

### Transfer Of Families

Brown said the district could benefit under Public Law 874 by the transfer of up to 600 families from Columbus, Ohio, to the Army Depot, but the school district has little available housing for them.

The district has a total enrollment of 2949 students, Brown reported, including 418 at St. Louis school, 571 at Dunbar, 588 at Harris, 265 at Madison Junior high school, 428 at Louis Baer and 67 at Madison high school. There are 290 in kindergarten, 301 in the first grade, 257 in the second, 284 in the third, 247 in the fourth, 241 in the fifth, 207 in the sixth, 206 in the seventh, 225 in the eighth, 225 in the ninth, 193 in the 10th, 150 in the 11th, 111 in the 12th and 12 in the educable mentally handicapped class.

### Other Action

During the meeting the board: Hired Miss Bernice Pitts, a graduate of Tennessee A. & C. College and an experienced teacher, as a home economics teacher at Dunbar school, and appointed Emmet Timmons of Dunbar as an assistant freshman football coach to aid Bob Page, freshman football coach at the high school, at a salary of \$300. Authorized continued participation in the school social work program, speech correction program, physically handicapped program, educable mentally handicapped program and the cooperative program with the school system. Brown said a motion was required on the programs for insertion into the minutes.

Approved participation in the National Defense Education Act under Titles III and V in which the district receives federal financial assistance for its programs in mathematics, language and science under Title III and guidance and counseling under Title V.

### Taxes Received

Heard a report from Raymond Kozielek school treasurer, that the district has received \$212,384 in tax funds, or 77.95% of the total levy, and \$34,000 in tax railroad taxes for 1959-60. He said the tax collection is the best the district has had to date.

Included were \$448,131 from Frank Riedelberger, Venice township collector; \$48,453 from Vene C. Rottler, Nankooki township collector; and \$18,000 from George Musso, Madison county treasurer. Kozielek said the Sept. 11 bank balance was \$10,612 in the educational fund, \$27,234 in the building fund and \$27,283 in the bond and interest fund.

Approved educational salaries totaling \$89,946, school lunch salaries of \$77, educational fund bills of \$20,957, building fund bills of \$2347 and school lunch bills of \$1355.

## Hooked Wall Hanging Display Set For Friday

A "hooked wall hanging" exhibit will be on display at the extension office, 60 Hillsboro avenue, Edwardsville, on Friday on loan to Mrs. Rufus Ramsey of Granite City, a member of the Bluff Home Economics Extension Unit.

One of the outstanding items is a Currier and Ives scene "Home In The Wilderness." There are several other specimens of this work in the display. The public is invited to see the exhibit and get information about the classes where this work will be taught in the county.

Mrs. Ramsey is planning a series of lessons to be given in the Maryville area and sponsored by her unit, and has offered the opportunity to other interested women. She will have more definite plans for dates and can give an idea of costs of the project tomorrow. All interested are invited to come see this unusual craft work.

## Downstate Art Teachers To Meet Here Next Week

The fall meeting of the Downstate Illinois Art Teachers Association will be held next Thursday evening at Granite City high school with Eugene Alessi, art director here, as program chairman.

About 300 art teachers are expected to attend the banquet and meeting. An underwriter theme will be carried out in the cafeteria decorations, featuring silver tinsel cloth.

The principal speaker will be William Bealmer, state consultant in art instruction, from Chicago.

## Health Surveys Start In Madison Schools

Examinations for nuisance diseases among elementary school children in the Madison district are underway, Miss Nina Dittman, school nurse, said in a report to the board of education Tuesday night. Early treatment for the infected was urged.

Plans for the year include the following screening tests: weight and measure all students in the grade schools in the fall and spring; vision testing of all elementary, ninth and 12th grade students; and hearing tests for first, fourth and seventh graders and all other students referred by teachers.

Miss Eleanor Popovsky, speech correctionist, reported that a speech survey is underway, including all first graders, last year's dismissals, those recommended to continue their speech work, new students in the district, teacher referrals and those on a waiting list.

Testing at Louis Baer school has been completed, she said, as has testing of the second and third grade at Harris, while testing at the junior high school is incomplete.

Arthur Christie, school social worker, reported that 38 boys and girls are receiving help with various problems. Most are being continued from the last school year.

There are seven at Harris school, five at Blair, eight at Louis Baer, six at Dunbar, three at the junior high school and nine at the high school.

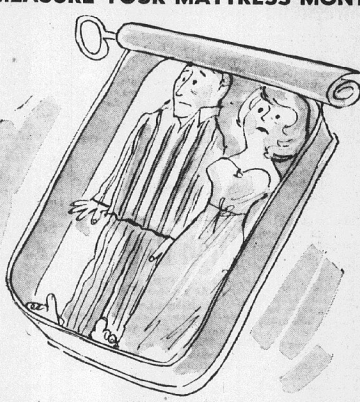

Miss Eleanor Popovsky, speech correctionist, reported that a

## District School To Be Held At Niedringhaus Church

A school for Christian workers will be held at Niedringhaus Memorial Methodist Church beginning Sunday, and continuing through Wednesday. With the theme, "Learning for Christian Living and Service," the school is sponsored by the East St. Louis District of the Methodist Church.

Dr. W. L. Cumming, district superintendent, has directed the plans for the school, and will be the administrative officer. The dean of the school is the Rev. Billy G. Hays, minister of First Methodist Church, Collinsville.

The special classes on churchmanship will be attended by

Christian workers from the 50 churches of the East St. Louis District. The classes will be taught by outstanding lay and ministerial leaders from southern Illinois and neighboring states.

An enrollment of at least 400 people is expected. The Rev. R. Paul Sims is host pastor, and the Rev. Frank Pierce of Nameoli Methodist Church is the treasurer.

## Presbyterian Church School Workshop Set

# Madison, GC Warriors Renew Old Grudge Rivalry Friday

## Claude Picks:

"Duch" That was Claude the Computer's descriptive comment late Saturday night after the dust of 14 opening high school football games had settled, leaving him with a paltry 300 average. Teams which fooled the mythical crystal-gazer included Lincoln of East St. Louis, Granite City, St. Louis U. High, Collinsville, Belleville, Jerseyville and Southwestern.

Lincoln and St. Louis U. High surprised by holding favored teams to scoreless ties, but Claude was licking his wounds where the other five teams were concerned; all upset his careful computation by winning when they weren't supposed to.

Undaunted, Claude makes more fearless forecasts this week, chief among which is that Granite City will be at least a couple of touchdowns better than Madison in the traditional battle here Friday night.

Despite the ease with which it toppled Webster Groves last week, Belleville will have trouble with Assumption, Claude feels.

A couple of squeakers should be the Quincy-Collinsville and Highland-Vandalia clashes, he predicts, Jerseyville and Cahokia should make the Press-Record's mythical mechanical marvel look weak with easy wins over Bethalto and Western Military.

This week, Claude sees them this way:

### FRIDAY

Granite City 21, Madison 6  
Assumption 12, Belleville 0  
Quincy 7, Collinsville 6  
East St. Louis 18, Lincoln 7

10:30 - Red Rams vs. Lions

## GC Jayvees, Madison Fresh-Soph Juniors Lose

Granite City High school's junior varsity football squad, comprised mostly of sophomores, dropped a 12-0 decision to the Assumption Jayvees here Monday night.

In Madison, the Trojan freshman-sophomore unit was absorbing a 41-0 beating at the hands of Cahokia's frosh-soph.

**CITED FOR THEIR ROLES** In Granite City's season-opening 7-6 win over Assumption last Saturday were (from left) senior quarterback Jack McKechan, who guided the Warriors all the way on offense; and junior defensive back Mike Mounce and guard work and were named initial winners of the "Chuckles Axe Murder" award. Madison Coach Glen Pickering bypassed his usual selection of a back and lineman of the week following the Trojans' 46-12 loss to Edwardsville last Friday.

## Mercer Takes On St. Clair In Sunday Playoff

Granite City (1-0) will oppose cross-town rival Madison (0-1) in here Friday night, while Quincy (1-0) travels to Collinsville (1-0) to test the Blue Devils, one-point losers to Alton last week.

Alton, meanwhile, will be matched against home town rival Marquette (0-1). Belleville (1-0) will be at home to Assumption (0-1), while Edwardsville (1-0) clashes with Belleville Catholic, also winner of its first game, in Edwardsville.

**Tied Clubs Meet** Wood River (1-0) meets next door opponent Roxana, a one-point victim last Friday, while East St. Louis, held to a 0-0 tie by St. Louis U. High last week, is involved in another inter-city clash, this one with Lincoln, which opened the campaign with a 0-0 standoff against Soldan last Saturday.

Cahokia, the Midwestern kingpin, which saw its 11-game streak snapped 7-6 by Cathedral, will seek to reconquer Western Military, a 4-0 loser to St. Thomas Aquinas last Saturday.

Bethalto (0-1) will be looking for its first touchdown against Jerseyville (1-0) Friday, while Dupu (0-1) is entertaining Nashville and Highland (1-0) is visiting Vandalia.

All the contests are Friday nights, with the exception of the Cahokia-WMA clash set for 2 p.m. Saturday.

## GC HS Lettermen's Club Names Yates 1963-64 President

Senior Ron Yates was elected president of the Granite City high school Lettermen's club in balloting among its 50 members yesterday.

Jim Parker was named vice-president, Jim Cant secretary-treasurer and Gary Lomas sergeant-at-arms. The club has as faculty sponsors Andy Sullivan, basketball coach, and Jim Morrison, football coach.

Two initiations of new members will be held this year, one in the late fall at the conclusion of the football and cross-country seasons, and another next spring following the basketball and wrestling schedules.

## GC Club Is Caught Short Of Pitching In I-C Eliminations

Mercer Funeral Home apparently will need the momentum it has gained over the past month on Sunday when it plays St. Clair Heating in a Blue division playoff final of the Inter-City Baseball League's pool season series Sunday afternoon in East St. Louis.

The Granite City club will go into the game minus one—possibly two—members of its pitching staff. Co-Manager Ollie Miller said today.

Definitely absent will be little southpaw Terry Kofahl, who will begin his studies at Southern Illinois University.

Kofahl, who helped pitch Granite City high school to the state prep finals this spring and later joined the Edwardsville Junior American Legion Post squad which went to the semifinals of the state Legion meet, will not be available Sunday.

Miller said he expects the Trojans also to throw more this week, a logical conclusion since Madison will be giving up almost as much poundage per man in the line against GC as was the case last week.

"I'm pretty high on (Gary) Skinner (Madison) quarterback," Miller said. "He has a good game against Edwardsville, but we think he is capable of doing a better job. He can be especially dangerous on the running pass, and if we can stop him, we can stop the game."

## YMCA Soccer Season To Open Saturday; 10 Teams In Action

Ten of the 14 teams entered in the fall segment of the YMCA boys' soccer program will begin regular league competition here Saturday.

The opening games will be played in Wilson Park and at the Good, where Paul Sawyer of Belleville, area supervisor for the state unemployment compensation program, will be in charge of the program. The match is directed by former Olympic soccer star Rubin Mendoza.

Mendoza said the juvenile division has been dropped due to withdrawal of two teams. Two Granite City youth teams will compete in the 24-hour endurance race on Ernest Gray, Jim Kidman, Luther Winters and Charles Miller. The Madison entry is Everett Cookson.

## Five Quad-City Cyclists Enter Marathon Race

Four Granite City cyclists and one from Madison are entered in the 24-hour Missouri border regional championship motorcycle marathon which will be run Saturday and Sunday at Riverdale Speedway, Telegraph Road and the Meramec River, in St. Louis County.

Granite City riders who will compete in the 24-hour endurance race are Ernest Gray, Jim Kidman, Luther Winters and Charles Miller. The Madison entry is Everett Cookson.

## Single TD Has Been Difference In Last Four Meetings; Game At GC HS

Madison's Trojans don't even belong on the same field with Granite City's football forces when the two schools' enrollment figures are compared.

Nevertheless, the Trojans have been able to give the Redmen all the GC HS club could handle through the last eight seasons of a traditional rivalry which dates back to 1929.

They will try again tomorrow night in an 8 o'clock contest at the GC HS athletic field in a game which annually decides the mythical Quad-Cities football championship.

Madison has not conquered Granite City since Larry Ferguson led the way to a 24-7 victory in 1957. The two teams played to a 0-0 tie in the rain the following year, and each year since the Warriors have scored once while holding Madison without a touchdown.

Madison Coach Glen Pickering, who is 0-3 against the Warriors, looks for an explosive Granite City attack tomorrow night.

"They're a much better ballclub than they've been played last year," he said after watching GC HS edge sub-assumption 7-6 last Saturday.

"We don't have the personnel or depth to match them down the line (MHS has only 30 players on its varsity roster) and I'd say offhand that the line is just as tough as what we faced when we played Edwardsville."

Edwardsville (upplied) the Trojans 46-12 in last Friday's opening game at Assumption.

Pickering continued. "Jack McKechan (GC HS quarterback) was a big surprise to me. He handled the club real well in his first start, and the way he was throwing the ball gave us more problems to work on in practice this week. Our pass defense was not up to par against Edwardsville, and I expect Morrison will try to take advantage of it tomorrow night."

Warrior mentor Jim Morrison agreed. "We'll probably put the line in the air more this week than we did against Edwardsville."

The Redmen boast a "shotgun" passing formation in the multiple offense repertoire. It was used only sparingly last week, but five passers completed coming from more conservative formations.

Miller said he expects the Trojans also to throw more this week, a logical conclusion since Madison will be giving up almost as much poundage per man in the line against GC as was the case last week.

"I'm pretty high on (Gary) Skinner (Madison) quarterback," Miller said. "He has a good game against Edwardsville, but we think he is capable of doing a better job. He can be especially dangerous on the running pass, and if we can stop him, we can stop the game."

## Unemployment Benefits Topic Of Labor Meeting

A group of 51 delegates to the Tri-City Trades & Labor Council AFL-CIO, heard an explanation of unemployment compensation during last night's meeting at the Labor Temple.

Guest speakers, who also participated in a question and answer session, were Paul Sawyer of Belleville, area supervisor for the state unemployment compensation program, and Durand Boer, chief manager of unemployment compensation at the local Illinois State Employment Service office.

## Crnkovich's I-C Batting Champ With .451 Average

John Crnkovich of Granite City, regular centerfielder with Blue Division champion St. Clair Heating of East St. Louis, is the southwestern Illinois Inter-City Baseball league's batting champion for 1963, league statisticians Jerry Escher of Collinsville reported today.

Appearing in 17 of 21 games played by his team, Crnkovich hit .451 to lead I-C performers in batting average. He has 10 hits in 22 at-bats.

Crnkovich has 32 hits in 71 official trips to the plate, hit four home runs and drove in 21 runs.

Larry McCaskey of the East St. Louis Moose club, who won the league batting title in both 1961 and 1962, was the runner-up to Crnkovich, hitting .440.

Crnkovich will receive the second Carl Wallen Memorial batting trophy in ceremonies Sunday, preceding the playoff contest between St. Clair and Mercer Funeral Home at 77th and State streets in East St. Louis.

Wallen, of Venice, was I-C league statistician until his death three years ago. St. Clair will also receive the Blue Division championship trophy Sunday afternoon.

Mercer placed two players among the top 10 batsmen for the 1963 I-C season. They were Don Crabtree, with the fourth highest average, and Jack Parker, who finished ninth in the race for the batting crown. The league's top 10 hitters:

Player & Club Average  
Crnkovich, St. C. .451  
McCaskey, Moose .440  
Muehlen, Pocat. .437  
Crabtree, Mercer .418

# Lomax First But Warriors Last In Run At E. St. Louis

Senior harrier Gary Lomax negotiated the 2.1-mile course in winning time Tuesday afternoon at East St. Louis in a triangular cross-country meet with East St. Louis and the Warriors finished third in the high school squads, but the Warriors finished third in the fall for GCHS.

Lomax won in 11:14. East St. Louis runners took the next three places and won the meet with 25 points. Edwardsville trailed 40 points and Coach Dick Harmon's squad 72.

The Flyers Tim Greenfield was second in 11:17, teammate Leon Neely third in 11:25 and Bill Tottelien of East St. Louis fourth in 11:40. Edwardsville's first finisher was fifth-place Jim Kneiss, and the Tigers took four out of the next five places to insure a second-place team finish.

Lomax beat Greenfield by three seconds but led all the way. "He probably had a head start 50 yards when he went too wide on the last turn," Harmon said.

Granite City's other finishers were Moe Lambert 10th, Gene Sternberg 17th, John Bull 18th, Rich Atkinson 20th, Pat Kincaid 21st, Steve Stamps 22nd, Mike Nichols 23rd, Pat Harris 30th and Larry Grooms 31st.

## EHS Wins Jaycee Meet

Edwardsville, with Jim Bennett running in the winning time of 12:07, won the Jaycee meet with 28 points. Granite City took the next three places and finished with 38 points. East St. Louis totaled 68.

Bob Yates (12:18), Keith Wilson (12:23) and Louis Miller (12:34) finished 2-3-4 for GCHS. All are juniors.

Other finishers for the Warriors were Frank Rodgers 14th, Ron Shand 15th, Bob Davis 16th, Larry Ripka 19th, John Kozak 22nd and Bob Johnson 20th.

The Warriors runners travel to Alton tomorrow for a dual meet with the Redbirds, and run at home next Tuesday against Wood River.

## Eight Reach Finals Of Women's Fall Golf Tournament

Semi-final positions were earned by eight contestants Tuesday at the Sunset Hills Country club golf course in the women's fall tournament. Women members of the Country club were eligible to compete in championship, A, B and C flight events.

Finals of the tournament will be conducted Sunday, Sept. 29, when a dinner and awards ceremony will be held.

Those qualifying for the finals are: championship, Mrs. Charles Schmidt and Mrs. Paul Zupan; A flight, Mrs. Roland Yack and Mrs. Frank Hamlin; B flight, Mrs. Henry Malench and Mrs. Robert Richards; and C flight, Mrs. Everett Baird and Mrs. Charles Wentz. Mrs. Zupan resides in Granite City and the other ladies are Edwardsville residents.

## DOWNSTATE FISHERMAN'S GUIDE

By C. A. FRAZER

Bass fishing continued to hold the spotlight in southern Illinois last week, with a 6 1/2-pounder from Little Grassy Lake taking the luncheon honors. As usual, the best fish were caught during the week while activity tapered off at the weekend.

Two relatively new lures accounted for the majority of the bass caught, according to boat dock operators. The surface lure in port from Scandinavia and its American-made imitations were preferred at Little Grassy while the blue plastic worm was most popular at Devils Kitchen Lake. Plugs, both deep running during the day and medium running early and late, contributed to good strings at Lake of Egypt.

While fishermen in the Little Grassy-Devils Kitchen-Lake of Egypt area and farm pond anglers in Pope county were reaping good catches, it was a different story at Lake Murphysboro and Crab Orchard lakes. At Lake Murphysboro, said only the bluegill and redear fishermen were wading the strings and they were working hard to do it, with worms, crickets or calappa worms in 14 feet of water. The lake is low and discolored from weed growth.

At Crab Orchard the advice is to wait until the end of the month. An occasional bass is caught by the veterans, such as Dick Masters of Carbondale who reported a 5-pounder.

Bill Rottman at Golconda said the bass are low and discolored from weed growth.

Blue plastic worms accounted for 27 of the runs up to 14 pounds at Devils Kitchen Lake while miscellaneous lures were crickets with 22, other bass brought to Cline Skeicher's boat dock during the week. Crickets fished in 12 to 15 feet of water added bluegills to the catch report.

## YMC Junior Judo Players To Compete In Belleville Meet

About 10 junior members of the YMC Junior club are expected to compete in the first annual Belleville YMC Junior tournament on Saturday Sept. 28.

The junior division competition will be for contestants from 10 to 16 years of age, both boys and girls.

The YMC club placed six judo players among the top finishers in the junior division of the Owens-Illinois Glass tourney last week. Jim Fiedler took first in the boys' 14-16 competition and Mike Middleton was third in the same class.

John Niel was second in boys' 10-13 competition. Leonard Fuchs third in boys' 10-and-under. Toni Fuchs first in girls' 16-and-under and Cherri Fuchs second in the same class.

There also will be racing in super-modified A and B classes. Time trials will begin at 7:30, with racing one hour later.

Luck may play a part, but success always comes from hard work.

## Two Fender Features Saturday At Speedway

Seventy laps of fender class feature racing are on tap Saturday night at the Tri-City Speedway. Two 35-lap feature events will be run in the class, with the first-place winner in each taking home \$100.

The main events will be run on the track's quarter-mile oval.

### WINSOME CLASS

#### MEETS AT SHAWNEE HOME

The Winsome class of Second Baptist Church met Monday evening in the home of Mrs. Florence Shawne, 2438 Bryan avenue. Opening prayer was given by Margaret Newberry, and the devotion was by Mrs. Evelyn Smith, the teacher.

Plans were made to contact absentees and to make sunshine boxes and send flowers to shut-ins. Secret pals for the year were revealed and gifts were exchanged.

Closing prayer was by Mesdames Dorothy Barnes, Norma Rains and Ethel Cox. Others present were Mesdames Louise Mitchell, Myra Grote, Laverne Pittman, Wilma Gilliam, Frances Feldman, Steffie Libhart and Esther Davis. Miss Irene Broad, "M" night for the Training Union was discussed along with preparation work for Sunday school, a visitation program and a new plan for adult Training Union.

#### BIRTHDAY OBSERVANCE

Harold Fricke, 2237 Missouri avenue, celebrated his birthday Sunday at a barbecue at his home.

Those attending were Mr. and Mrs. Walter River and daughter, Norma, Miss Edna Bricke, Miss Betty Fricke, George Fricke, Mr. and Mrs. Jess Barnett and sons, Cordell and Steven, Mr. and Mrs. Arthur Rhin and Mrs. Harold Fricke and son, Danny.

#### GUESTS FROM OHIO

Mr. and Mrs. Burt Hanna, 2210 Missouri avenue, have as guests this week her brother-in-law and sister, Mr. and Mrs. Lester Grimm of East Liverpool, Ohio.

## FELLOWSHIP TEA HELD BY WOMAN'S SOCIETY

The Woman's Society of Christian Service of Dewey Avenue Methodist Church met Tuesday night for a regular business meeting and program. Rev. Paul Sims of Niedringhaus Methodist Church shared slides of his work as a missionary in Japan.

The meeting was adjourned to the basement parlors for a fellowship tea. A short business session followed. Plans were finalized for a seminar to be held in Edwardsville this week with the local group attending with the local group attending.

#### TRAINING UNION MEETS

The Training Union of Second Baptist Church met Tuesday evening at the church for a monthly planning meeting. Director Bob Lewis was in charge and was assisted by Melvin Lewis. Various departments met for a general planning period and then assembled with officers of the Training Union for an executive meeting.

Rev. Hankard led prayer and "M" night for the Training Union was discussed along with preparation work for Sunday school, a visitation program and a new plan for adult Training Union.

The director closed with prayer and the following were present: Mrs. Maxine Davis and granddaughter, Melinda Stubbfield, Sue Warnhoff, Reed Burkhardt, Mr. and Mrs. Melvin Lewis and children, Pamela and Johnny, Richard Miller, Miss Evelyn Barnes, Connie Wigger, Mrs. Betty Lewis and Gail Lewis.

#### KITE-MAKING PROJECT

Peter Chen Primary Sunbeams of Second Baptist Church met Tuesday afternoon at the church. Mrs. Betty Lewis, leader, led group singing and told of incidents that have happened to Southern Baptist missionaries. Mrs. Beverly Crown told the

story of "Pedro" of South America and explained how children make their own kites. Mrs. Lewis and Mrs. Crown, with the assistance of Miss Bonnie Finnell, led the group in making kites with long streamers. Some were colored and decorated, and the group took a walk around the block and flew the kites.

Returning to the church, the children sang and heard a talk about promotion of Sunbeams next Tuesday afternoon. Boys and girls who are Sunbeams now or who will be six soon are being encouraged to attend.

Leaders for the next year in the primary groups are, six-year-olds, Mrs. Lewis; seven-year-olds, Mrs. Lewis Finnell; and eight-year-olds, Mrs. Evelyn Barnes and Miss Jean Anderson. Refreshments will be served to the Sunbeams by the Naomi circle of the church. Members of this circle have approximately 15 children in Sunbeams now.

## 1964 Plymouths Go On Display Here Tomorrow

Plymouth models for 1964, to be available in four series, will go on display tomorrow at the Elledge Motor Co., 19th street and Grand avenue. Longer than the 1963 models, Plymouths retains its unitized body construction and the 50,000-mile/5-year warranty on engine and drive train components. Styling changes include a redesigned grille with a "horizontal look" and a higher roof line which provides an additional inch of interior head room. Mechanical changes include a wider rear axle shaft, which body styles, including convertibles, do not affect the car's outboard wheel.

President Kennedy Honors Dr. J. M. Koch  
A citation in honor of the memory of Dr. Joseph M. Koch has been received from President John F. Kennedy by the doctor's widow, Dr. Felicia Koch. The engraved citation bearing a gold U. S. Seal states: "The United States of America honors the memory of Joseph M. Koch. This certificate is awarded by a grateful nation in recognition of devoted and selfless consecration to the service of our country in the Armed Forces of the United States. John F. Kennedy, president of the United States."

Dr. Joseph Koch, a hero and medal winner during the Normandy invasion in 1944, died Aug. 14 while undergoing open heart surgery. SCREENS & STORM INSETS PATIOS, CALL G. O. GLASS TR 7-5400

## THE CAR THAT REALLY GETS UP AND GOES

AND HAS A 5-YEAR/50,000-MILE WARRANTY TO KEEP IT GOING THAT WAY!

This is the handsome full-size Plymouth for 1964. If you think it looks good from here, you ought to get a couple of feet or so from the real thing. A few slow circles around the car reveal the clean, simple, strong shape of the modern Plymouth. Newness is immediately apparent from the front, the back, and the profile, especially the new 2-door hardtop roofline shown above. Moving inside the car, there is more new beauty. And there is fabric strength to preserve the beauty. Then there is the special way this car performs. Here's what thousands of laps around the Proving Grounds turned up: The 1964 Plymouth is quick, alert, vigorous—a sure bet to maintain the performance superiority Plymouth established over the past two years.

And finally there's the 5-year/50,000-mile warranty\* that backs up the performance of all 26 models of Plymouth for 1964. Altogether, it looks like a great year to

I think it's that guy I wouldn't give a refund to yesterday.

Oh come now! Refunds aren't that hard to get at Tri-City Gro. Co. We are awfully close with our money, but on all legitimate returns, we are happy to make a refund (that is if you bring your attorney to negotiate for you). However, just to show you how liberal we are, a few years ago a customer brought us back nothing but a ham bone and claimed the ham was unfit to eat and believe it or not, we gave him his money back. How about that? Of course, the butcher making this refund no longer works for us, but we certainly are fair-minded.)

### GC Democratic Women Plan Christmas Party

The Granite City Democratic Women's organization held the first meeting of the fall and winter season Monday evening at the Rose Bowl.

Mrs. Bernadine Hagnauer, who was in charge, reported on the success of the summer project at Wilson Park and gave the treasurer's report. Plans were also made for a fundraising project in November and for the annual Christmas party at the Rose Bowl.

Mrs. Ethel Zimmer and Mrs. Sue Lewis were presented with baby gifts from the group, and Mrs. Jeanne Francis, a newly appointed committeewoman was introduced.

A social hour followed the business meeting and prizes were won by Mrs. Lewis, Mrs. Olla Puhse and Mrs. Julia Lancaster. Mrs. Virginia Cox will entertain the club at the Rose Bowl in October. Mrs. Hagnauer was hostess at Monday's meeting.

### Ellen Winters Hostess For Phi Beta Tau

The home of Ellen Winters was the place of meeting last night for Phi Beta Tau chapter of Beta Sigma Phi.

The group planned to change the date of meetings from the second and fourth Wednesdays to the first and third Wednesdays of each month.

Sue Cook gave the program on "Pompodour or Plais" and refreshments were served to Linda Todd, Judy Robbins, Mary Christian, Sue Cook, Diane Sellers, Janet Boggs, Pat Pfaff, Ruth Justice, Barbara Charbonnier, Sue Lucas, Donna Adams, Gloria Mundy, CharLee Parnley and Diane Korcos.

Jolly Twelve Celebrates 43rd Anniversary

One of Granite City's oldest clubs, the Jolly Twelve, celebrated its 43rd anniversary with a noon dinner and party at Rusty's restaurant in Edwardsville Wednesday.

The table at which ten were seated held an anniversary cake, lighted candles, arrangements of pink, rose buds, and pink and blue swan mint cups which served as favors.

Mrs. C. W. Genard, a 43-year member, presented each one with a red rose corsage and after an election of officers at which Mrs. Kathryn Smithson and Mrs. Myrtle Ryan were re-elected

### Evening Etude Club Studies Franz Schubert

Opening the fall and winter season with a meeting last night in the home of Mrs. Stanley Young, 1704 Garfield avenue, was the Evening Etude Music Club.

A short business session was conducted by the hostess who is president, and the new year books were distributed by the vice-president, Mrs. James Harsh.

The theme for the coming year's programs will be "Composers of the Romantic Period." In keeping with this Mrs. Julie Bartels discussed the life and music of Franz Schubert.

Also on the program were the following numbers: a piano selection, "Impromptu 30," by Mrs. William Ledbetter; "Schubert's Serenade," an organ solo, by Mrs. Young; a vocal duet, "Sanctus," by Mrs. Harsh and Mrs. Clem Hehagen; and piano solo, theme from the "Unfinished Symphony" and "Moment Musical" by Mrs. Harsh.

Prizes in the musical games went to Mrs. Rahagen and Mrs. Harsh. Others present were Mrs. John Deacon, Miss Elsie Mayhew and Miss Nancy McBrian.

The next meeting will be held in the home of Mrs. Woodrow Williams, Rural Route One.

Macaque, the so-called Barbary ape, is found only in North Africa and on the Rock of Gibraltar.

### B&PW Opens Season; Awards Given Members

The season's first program meeting of the Granite City Business & Professional Women's Club took place at the YMCA last night with 36 members and two guests present.

The letter were Mrs. Neil Highsmith and Mrs. Florence Schall.

Mrs. Vernice Wortman, president, presided and the program in charge of Miss Dorothy Davis, vice-president, consisted of plans for the coming season and the presentation of awards for the past year's work by Miss Kathryn Van Order.

They went to the following committee chairmen: Mrs. Verita Lengyel, most active committee in civic participation; Mrs. Gladys Wilson, most interesting program, world affairs; Mrs. Gay Rosch, most informative presentation, a life saving demonstration; Miss Etta Christian, memorial plaque at city hall; Mrs. Frances Lynch, most worthwhile program, scholarship fund; and Mrs. Elvera Herman and Mrs. Lottie Schuster, most active members.

The president called the attention of the members to the coming Business Women's Week observed from Oct. 6-12, and other announcements were made.

The playpup, which is found only in Australia, has a duck's bill, webbed feet, a beaver's tail, and a lot of milk for its young.

The oldest of all living winged insects is the lowly cockroach.

### RETURNS FROM OTTAWA, ILL.

Mrs. P. O. Barron, 2143 Delmar avenue, returned last night from a visit of two weeks with her sister-in-law, Mrs. Mike Bon-

garts, the latter's son and daughter-in-law, Mr. and Mrs. James Bongartz, Mr. and Mrs. Joe Guidici and Mr. and Mrs. Mike Basky in Ottawa, Ill. During the visit other relatives joined the family party. They were Mr. and Mrs. John Robinson of Detroit, Mich., and Mrs. L. O. Shaw of Fort Wayne, Ind. Mrs. Robinson and Mrs. Shaw are nieces of Mrs. Barron.

MRS. SHEPPARD IS HOSTESS TO KARDETTES

A party for the Karettes was given last night by Mrs. Dorothy Sheppard at the Den.

Those to whom prizes were awarded were Mrs. Frances Skubish, Mrs. Wenona Kibort, Mrs. Emma Jalcich, Mrs. Helen Todoroff and the hostess.

Others attending were Madam Betty Page, Margaret Green and Barbara Nemeth. The next party of the club will be with Mrs. Todoroff, 3120 Colgate place, on Oct. 16.

HANDICRAFT CLUB

The Handicraft Club met last night with Mrs. Ann Margulen, 2850 Washington avenue.

A luncheon was served to the members, and prizes in the games were won by Mrs. Irene Kidane and Mrs. Frances Vivod.

The club's next meeting will be with Mrs. Kate Fedora, of Idaho street Oct. 16.

added this program," the mayor said.

Moerlein Disagrees

"I don't see how you can make such a false statement. We never discussed voting against you. It took up four months to get an appointment with you. Your attorney has had no experience in the municipal field."

Callis replied that he thought the mayor was qualified.

In the vote, the mayor's choice was approved by six aldermen—Nann, Casner Skubish, Steve Basarich, Mrs. Gabrielle Beineke, Edmund Bartosik and J. D. Bergfield. The nine voting against the resolution were Donal-

dus, Partney, Paul Rutledge, Whitmer, Ford Johnson, Clyde Mayfield, William Dallas, McGee, Moerlein and G. H. Stiermer.

There was no further discussion. The motion for the recess, called at 10:05 p.m. was with-

drawn. Other business ran the council to the 11 o'clock curfew before committee reports, including that of the Special Pollution committee, were reached.

The mayor adjourned the meeting at 8 p.m. Tuesday night, saying, "I don't think we have any more business to discuss."

His letter, which merely stated that he would be out of town, was read to the council at 8 p.m. Tuesday. The aldermen absent were Skubish, Basarich, Bartosik, who had said Monday night that he would be working, and Mrs. Beineke, Thompson, who is on vacation, was present.

Nonn nominated Alderman Rutledge to preside at Tuesday's meeting.

Mayor Criticized

Tuesday's meeting opened with criticism of the absence of the mayor, City Atty. George Filloff Jr. and the missing aldermen.

Filloff had said Monday night he would be attending an Army Reserve meeting Tuesday night.

Partney commented that it was the attorney's responsibility to see the council had legal advice in his absence.

Partney also commented that it was a common practice for the mayor to take off when controversial issues were coming up.

Rutledge accused the mayor of trying to stall the pollution program.

Nonn called for a point of order.

Rutledge, who was presiding, continued the meeting.

Moerlein presented a report from the engineers which he had prepared to give Monday night.

In the report, the engineering firm of Sheppard, Morzan & Schwaab said conferences with industries regarding volumes and strengths of anticipated wastes have been completed and that two meetings had been held with the U. S. Army Engineers concerning the location of the treatment plant on property at the Granite City Army Depot.

Preliminary plans and data for cost estimates also have been completed to provide sewerage facilities in areas within the city now served for a sanitary interceptor sewer to serve the Namek area and alternate plans for a treatment plant, including sanitary interceptor sewers and one without sanitary interceptor sewers.

"These estimates have been submitted to the city's fiscal agents, Nongard, Showers & Murray, for their study. It is anticipated that a preliminary work on the project will be completed by the end of this month in the form of a report to be submitted to the mayor and city council at their first meeting in October," the engineering firm reported.

Moerlein then submitted a resolution for hiring a bond attorney. He commented the committee had been operating under "stressful circumstances" but was willing to work out a harmonious solution.

Stressing the need to name a

bond attorney as quickly as possible in order to devise a means of financing the treatment plant, Moerlein pointed out the committee had some say in the presentation of a resolution. "He thinks the mayor thinks he has the right to do it exclusively."

Proposed Contract

Moerlein submitted the resolution naming Atty. Callis. He also submitted a contract which outlined the bond attorney's duties and fees. The fee for the project of \$1,000,000 or more was the minimum, with the fee set by the Illinois Bar Association would be \$750 plus .025 of the amount in excess of a million dollars. The project cost has been estimated at about \$1,500,000.

The bond attorney's duties would be to prepare notices and advertisements, confer with city officials, advise the fiscal agent and to prepare for a referendum.

Nonn challenged the committee's selection, and asked if Callis had any actual experience. Moerlein replied he had posts with organizations that handled large sums of money, bonds, credit unions, and was familiar with procedures.

Nonn pointed out the committee's method "won't sell this project as you are," he added. "I don't think you can make him sign this contract. He's going to get a lot of money and the mayor sit down and work out an agreement."

The mayor is just as stubborn as you are," he added. "Partney answered Nonn by saying, 'I don't think the mayor has shown interest in this or he wouldn't have been here tonight. He knew this was coming up.'"

McGee remarked that the committee had met with the mayor two weeks ago in an effort to reach an agreement on the selection of a bond attorney, but that no data was given the committee on the selection until it was read by Nonn at 10 o'clock during Monday night's session.

McGee added that he had talked to Callis Tuesday morning and that the attorney had not been advised by the mayor of the council's action Monday night.

Voting On Resolution

The vote on suspension of rules for immediate adoption of the bond attorney resolution was 10-1, with Nonn dissenting. Bergfield stepped out of the council room. He was called in and voted "no."

Continuing with the remainder Monday night's unfinished session, the council discussed complaints received concerning garbage and trash collections. It was noted the contractor had never attended a council session and while there were provisions, the mayor had never named a Sanitation committee.

The council named a committee to be submitted to the mayor. Stiermer presented the names of Aldermen Boyd, Dallas and Skubish with a recommendation that Boyd be chairman.

Nonn called for the Finance committee to study a proposal to divide the city's fund deposit among the three local banks and submit a recommendation to the council.

Rutledge, who is chairman of the Finance committee, said the same thing was done two years ago and that Nonn had voted against it. The study is to be made and a recommendation submitted. Opposing Nonn's motion were Rutledge, Whitmer and Johnson.

Authorization was given for bids to be sought for six new two-way radio sets for police cars. Whitmer said the department preferred to stay with General Electric models but agreed to the bid call.

He explained the present sets would be placed in other city vehicles and adjusted to new wave lengths in compliance with a federal law which must be met in six weeks. He added the present police units are about seven years old and in need of replacement in the police patrol cars.

The adjourned meeting was adjourned at 3:25 p.m.

### FIVE COOLIDGE PTA MEETINGS DURING YEAR

The executive board of the Coolidge junior high school PTA held its opening meeting Monday evening in the school cafeteria, with Mrs. Elva Mae Spiceland, president, conducting the meeting. She submitted the proposed budget to the board and it was accepted for presentation to the membership.

Mrs. Spiceland said the PTA will hold meetings only during September, October, January, March and May—on a trial basis—to encourage more parents to attend the regular meetings. By eliminating some of the meetings, it is hoped to increase the average attendance. There are approximately 1500 children in the school. Open house again will be held in November, with no meeting planned.

Mrs. Wilma McQuinn, chairman of the ways and means committee, suggested a money-making project which will be presented at the next meeting. It was announced that Bill McGee has letters that are to be put on the front of the school and at present is working on polishing them. He will have them installed in the near future.

Lewis Sablin presented a copy of the minutes of the state PTA convention held last spring, and they are to be put in the Coolidge scrapbook.

Mrs. Lois Haynes, program chairman, announced that Ralph E. Frohrt, principal of Coolidge, will be guest speaker at the meeting Sept. 23, which will be an "Orientation of Parents." He will explain subjects available at the school and how the school plans to assist ninth grade students in selecting their subjects for the tenth grade so as to help them continue in the field they have chosen.

There also will be a music program by Coolidge students.

The president announced the officers for this year as follows: first vice-president Assistant Principal Frank Kraus; second vice-president, Mrs. Elsie Rodell; recording secretary, Miss Lucy Stewart; corresponding secretary, Mrs. Kathleen Tadlock; treasurer, Sablin; safety, Omar Ronk; program, Mrs. Haynes; membership, Mrs. Betty Mobley and Mrs. Ruth Malotki; yearbook, Mrs. Rodell; ways and means, Mrs. McQuinn; hospitality, Mesdames Elsie Wood and Mrs. Virginia Alford; Girl Scout representative, Mrs. Olivia Kuennen; Area Council representatives, Homer Johnson and Mrs. Tadlock; magazine sales, Mrs. Kathryn Bailey; publicity, Mrs. Donna Hogan; historian, Mrs. Spiceland; and by-laws and parliamentary, Mike Kawula.

Mrs. Elsie Wood and Mrs. Virginia Alford will serve refreshments at the regular meeting. Present were Mesdames Spiceland, McQuinn, Alford, Bailey, Mobley, Malotki, Rodell, Haynes and Hogan. Miss Stewart, Omar Ronk, Frohrt, Kawula and Sablin.

**ELECT NEW OFFICERS.**  
Senior Girl Scouts of Troop 280, sponsored by the Nameoki school PTA, held their first meeting Tuesday evening in the home of Mrs. Shirley Brown, advisor, at 1640 Moro avenue.

Patrol leaders elected were Sheila Coggin, Kathy McCalla and Sandy Brown. Assistant leaders are Sharon Kook, Christine Louis and Marie Greve, scribe. Judy Phillips and treasurer, Barbara Love. Following the election, the girls were assigned to patrols.

Sharon Waggoner reported on a planning board meeting held in Edwardsville Sept. 8, at which time a campout was planned for senior troops in the River Bluffs Council Nov. 8 and 9. The campsite is to be announced later. She also announced there will be a senior conference in April.

A discussion was held on new program changes, and the scouts agreed to become a pan-racial troop, which entitles them to work on nine major interests instead of one specific subject. The girls' uniform was discussed and the proper ways to wear their insignia were outlined.

The next meeting topic, "Instruction in Child Care," will be given by a qualified person.

Others present were Karen Maas, Marilyn Sues, Cindy Tenney and Mrs. Margaret McCalla, advisor. The next meeting will be held Oct. 1 in the Brown residence.

### CORSAJE WORKSHOP FOR GARDENAIRES

A corsage workshop for members of the Gardenaires garden club was held Tuesday morning in the home of Mrs. Ann Shannon, 3201 Carlson avenue. Mrs. John Farrell was the instructor.

Each member brought a sack lunch, and the hostess served salad and coffee for a noon luncheon. A brief business meeting followed, with the president, Mrs. Jan Kuhl, presiding. She announced the 11th semi-annual meeting of the District Five garden clubs Sept. 26 in Edwardsville.

Members present were Mesdames Jerry Arbeiter, C. E. Eads, Darrell Edwards and George Wenner. A guest was Mrs. George Lipscomb. The next meeting will be held in the home of Mrs. Farrell, 3219 Willow avenue, on Oct. 10.

### CRADLE SHOWER FOR MRS. LOFTUS

Mrs. Mae Wolf entertained with a cradle shower and brunch Tuesday morning on the patio at her home, 21 Bermuda lane, in honor of Mrs. Sharon Loftus. She was assisted by Mrs. Mon-

ica Frey.

A centerpiece of garden flowers arranged in a milagrus bowl was used on the serving table. Following the brunch, a gift was presented to the honoree from the guests.

These present included Mes-

dames Kathy Busch and children, Julie, Jill and Jackie, Jo Ann Strunk, Bonita Downs and children, Jimmy and Billy, Ruby Schuber, Emma McGahan, Florence Holter, Carol Wellman and children, Martha Pam and Billy, Jeffrey Loftus and Don-

aldert, Jane Bickhaus and nie Frey.

Paul Albert Eads Jr. is the name selected by Mr. and Mrs. Paul Eads, 2405 Angela drive, instead of Paul Robert Eads Jr., as was listed. Grandparents are Mr. and Mrs. Michael Barry and Mr. and Mrs. Walter Baum-

### Americana Could Be Chewing Bubble Gum

"Americana could be bubble gum," a Granite Cityan was overheard to remark in a restaurant.

He recalled that while walking along Delmar avenue near 21st street one evening this week, he saw a young mother driving a station wagon loaded with the family laundry and with a blond-haired, tiny youngster beside her.

In union, as they drove away from a stop sign, the mother and son were blowing bubble gum bubbles. "The mother's bubble was the bigger," the observer remarked.

### James LeGrand Elected Head Of DeMolay Order

James LeGrand was elected master counselor of the Granite City chapter, Order of DeMolay, for the first term of 1964 Tuesday evening during a meeting in the Masonic Temple.

He is the son of Mr. and Mrs. E. W. LeGrand, 1616 Wilson avenue, and is a junior at Granite City high school.

Others elected were Terry Rochester, senior counselor; William Henley, junior counselor; James Rucker, chaplain; Velma Stark, treasurer; and David Cook, scribe. They will be installed Nov. 5.

### Sternberg Gets Contract For New Madison Sewers

G. H. Sternberg & Co. of Granite City was awarded a contract to construct Madison's storm water sewers and related work on a low bid of \$452,481 during a meeting of the Madison city council Tuesday night.

Approval came upon the recommendation of a six-man aldermanic sewer committee headed by Raymond Kozielek, which had been granted a two-week extension to study four bids received.

Work on the project will be started soon. The sewer line will extend along Washington avenue from Eighth to 14th streets and will connect with another storm-water line at Eighth which recently was completed by the East Side Levee & Sanitary District.

Kozielek said the extension of time in awarding the contract should not reflect upon the contractor. He noted that the project has been under study since 1944 "and is one of the most important to the city of Madison."

Contractor Checked

"We investigated the work of the contractor, his financial statement, the unit prices in the bid" and other aspects.

Kozielek said it was the initial impression that engineering fees were included in the engineer's

estimated cost of \$450,314, which led the committee to believe the bids were somewhat high. "That is one reason we considered rejection of all bids," the alderman said.

So far, the consulting engineering firm of Sheppard, Morgan & Schwaab has received \$18,000 fees for its work on the project, and it was noted that payments will continue as work progresses. The council transferred \$20,000 from Chain of Rocks Bridge fund to the special sewer fund to meet the payments. Mayor Stephen Maeras said the transfer was preferable to withdrawing some investments.

Bridge Audit

An annual audit of the Chain of Rocks Bridge for the period ending last April 30 showed net income for the year of \$365,890, or \$24,497 less than the previous year.

The total amount of tolls was \$618,018, a decrease of \$26,948, while interest from investments was \$30,867, an increase of \$9496. The city received \$7000 from American Telephone & Telegraph Co. as a fee for pole and pipeline privileges, the same as last year.

Total income was \$655,918, a decrease of \$17,440. Total operating expenses were \$273,765, an increase of \$10,266. Bond interest was \$16,263, a decrease of \$2209 as another \$100,000 in bonds was retired during the year.

Expenses included operating costs of \$93,644, up \$644; maintenance, \$13,369, up \$5025; publicity and traffic expenses, \$23,948, down \$4549; and general and administrative expenses, \$143,404, up \$9146.

Higher Salaries

Mayor Maeras said expenses increased because of a \$25 across-the-board monthly pay raise granted to bridge employees last year. The expenses could have been higher, he added, but some economies were achieved in operations.

He blamed major highway construction for the decline in tolls, but said much of this has been completed and traffic is now about 11% higher than it was at this time last year.

In discussing the new interstate highway bridge just north of the Chain of Rocks span, the mayor said he was uncertain of the future of the city-owned structure.

Construction of the new bridge, which will be toll free, is behind schedule, but the states of Missouri and Illinois are pushing vigorously for completion, which is due in 1965, he added.

In other action, the mayor urged all aldermen to attend the Illinois Municipal League convention Oct. 18-22 in Springfield. The council authorized two policemen to attend the convention, with each to receive \$100 for expenses, and approved bills and minutes.

Holly trees that bear no fruit have only male flowers, incapable of producing seeds.

**SENIOR SCOUTS HOPE TO ATTEND WORLD FAIR**  
Senior Girl Scout Troop 223 held its first meeting of the 1963 year Tuesday evening at the Nameoki Presbyterian Church to plan projects for the coming year.

Charlotte Weiss gave a report on a planning board meeting held in Edwardsville on Sept. 8. It included representatives of all Senior Scout troops in the River Bluffs Council.

During Tuesday's meeting, the scouts decided to have a fall campout on Nov. 8 and 9. The camping area has not yet been decided on but will be in the Edwardsville area.

Further discussion was held on fund-raising projects to finance a trip to the World's Fair in New York during the summer of 1964 by the whole troop. Final plans will be made at a later meeting.

An election of officers and patrol leaders followed. Those elected were: secretary, Marilyn

## Bondgard; treasurer, Merle Wil-

lis; reporter, Charlotte Weiss; patrol leader for Patron One, Nancy Benson.

**FIRST FALL MEETING OF BROWNIE TROOP 866**  
The first meeting for this year of Brownie Troop 866, sponsored by the Nameoki school PTA, was held Tuesday after school in the school cafeteria.

The meeting was opened with the scouts giving the pledge of allegiance and the Brownie promise and all singing the "Smile Song." New members who have just joined the troop were introduced as Julia Cowan, Mary Jackson and Joan Wachter.

The troop sang "Happy Birth-day" to girls who have had birthdays during the summer and in September. They were Elizabeth Acosta, Denise Brase, Cheryl

## Gertach, Linda McDonald and Diane Smith.

Two girls who had attended day camp this summer introduced and sang two songs that had learned while there. A discussion followed on future activities, which will include a trip to St. Louis to visit a television show, a winner roast and the troop birthday in October.

The leaders read the Brownie story for the benefit of the new Brownies, followed with a closing ceremony in which all scouts formed a bridge and sang "Run Along Home."

Those present were Vicki Campbell, Sue Ellen Carbaugh, Jackie Justice, Deborah Roller, Janet Line, Linda Sigle, Cathy Warner and Linda Young and the leaders, Mrs. Mabel Gertach and Mrs. Ann McDonald.

The next meeting will be held at the school Sept. 24, when the troop will elect officers.

**NIQ MEETS AT THURBER RESIDENCE**  
The NIQ card club resumed its meeting after the summer vacation Tuesday evening in the home of Mrs. Evette Thurber, 2705 Grand avenue.

The meeting was the game for the evening, and these holding the highest scores were Mrs. Edith Lemontovich, first, Mrs. Thurber, second, Mrs. Ethel Weis, third and Mrs. Carmella Barbieri, a guest, the hostess prize.

The hostess served a buffet luncheon to the prize winners and Mesdames Ann Shannon, Ruby Hornberger and two other guests, Margaret Belt and Katharine Buehler.

Mrs. Weiss invited the club to meet in her home, 1632 Fifth street, Madison, for the next meeting on Oct. 15.

## Change In Social Security Law Aids Older Workers

Recent changes in the social security law make it possible for older workers to continue working and still be paid some social security benefits.

Because of these changes, Ralph Brasher, manager of the East St. Louis Social Security office, urges workers age 65 or over to inquire promptly about their particular work situation to avoid loss of benefits.

Brasher points out that a frequent mistake made is one by workers over 65 who earn over \$1200 a year and do not inquire at their social security office. Even if a worker earns more than \$1200 a year it is not necessarily true that he will lose all

of his social security benefits for the whole year.

Furthermore, any worker of retirement age can receive benefits for any month in which earned wages are not over \$100 and in which no substantial services are rendered in self employment.

The East St. Louis Social Security office is at 435 Missouri avenue. Anyone not able to visit the office because of poor health may write or phone the district office. Office hours are from 8:45 a.m. to 4:45 p.m.

## Sections Of 3 GC Streets Added To Arterial System

Sections of three streets have been added to Granite City's arterial street system by the state highway department. A letter advising the council of their acceptance was read during Monday night's council session.

The streets are 17th street between Madison avenue and Cleveland blvd.; Cleveland blvd. from 19th to 27th street and 23rd street between Grand avenue and Benton street.

With arterial designations, the city may allocate motor fuel tax funds for street improvements and related drainage projects.

It is hoped by the council that with the arterial designation for the intersection may be corrected with state motor fuel tax funds.

Application for arterial designation was made in June by the city.

## Nameoki Sewer Reports On Public Display

August financial reports for the seven separate accounts for the Nameoki sanitary sewer system were accepted Monday night by Granite City council members, who instructed that they be placed on public display in the controller's office in the city hall.

A breakdown, showing total receipts, total disbursements and Aug. 31 balances in that order, follows:

- Original construction—\$1,419,904, \$1,403,310 and \$16,594.
- Area 2 construction—\$404,557, \$392,824 and \$11,733.
- Special sewer construction—\$91,623, \$84,909 and \$6,714.
- Sewer extension—\$151,160, \$95,065 and \$56,095.
- Severance reserve—\$772,721, \$301,287 and \$471,434.
- Area 2 severance reserve—\$181,819, \$112,082 and \$69,737.
- Sewers reserve—\$93,500, none and \$93,500.

## August Fines, Costs In GC Total \$1451

Fines and court costs assessed and collected during August totaled \$1451. It was reported to Granite City council members Monday night by Police Magistrate Gasparovic. The report was referred to Comptroller John Doehner.

Of the total, \$704 fines and \$330 costs resulted from city cases and \$30 fines and \$32 costs from state police arrests.

## GC Town And Relief Disbursements—\$5443

Town fund and relief disbursements for Granite City township, approved Monday night by Granite City council members, amounted to \$5443, of which \$4043 was for relief and \$1400 for town fund purposes.

Relief disbursements included \$2130 for food, \$817 for medical care, \$110 for rent, \$36 for services by the Madison County Nursing Home and \$170 to reimburse Nameoki township.

Administrative costs at the relief office were \$168 half-month salary and \$25 travel allowance for caseworker M. S. Dorothy McCormick; \$137 half-month salary for bookkeeper M. S. Ada Kelly; \$45 janitor service, Catherine Herman.

## Draft Quota Cut From 11 To 5 For Quad-Cities

The Quad-Cities' September draft quota—originally 11—has been cut to five for induction tomorrow at the county selective service office in Edwardsville.

Three youths were dropped from the call because of the new marriage law approved last week by President Kennedy, one transferred to Chicago, another was re-opened as a hardship case and another plans a special enlistment for overseas duty.

The five remaining youths are to report for induction tomorrow, and on Oct. 27, twenty Quad-Cityans are to report for pre-draft physical examinations.

No changes have yet been named in the October quotas, as county selective service office workers have been busy processing files for the current month quotas following the change in the law in which married men are not to be drafted while single men are available.

Next month's draft quotas call for 16 men to be inducted Oct. 22. Pre-induction physical examinations will be given Oct. 3 for 27 men.

## Soldier Fined \$30

Robert J. Williams, 20, of the 374th Engineering Co., Granite City Engineer Depot, was fined \$30 and costs on a charge of speeding 60 miles per hour at Nameoki road and Fifth avenue and \$5 and costs for having no driver's license Monday by Police Magistrate Gasparovic.

MONDAY, SEPT. 19, 1938

Two WPA projects for a total of \$277,191 were approved in Washington, D. C., over the week-end, according to telegram received county by Mayor M. E. Kirkpatrick from U. S. Senator J. Hamilton Lewis.

The largest project is for \$216,000 and provides for paving seven streets with concrete. The WPA is contributing \$154,000 of the cost.

The Venice city council heard a request Friday night from the public library board for authorization to buy the George H. Whitcher residence at 302 Broadway for a library building. John J. Fiebo, president of the board, was spokesman.

Led by an American flag and bearing many signs denouncing the way relief is being administered in Venice township, about 200 members of the Local 28 of the Progressive Workers of America early Saturday morning marched to the headquarters to the home of Supervisor Joseph Grenzer and drew a heavy police line around the place in an effort to force the township to give supplemental relief to WPA workers.

The Happy Warrior gridders of Community high school won their first game Friday afternoon at Hillsboro, 12-6, after trailing 6-0 until the final quarter. Kane and Bayer scored the Granite City touchdowns.

Mr. and Mrs. George Barr and daughters, Doris Jean and Jeanine, of Venice, accompanied by Mr. and Mrs. Walter Fee of Granite City, spent the weekend visiting relatives in Brazil, Ind.

Newly-elected officers of the Vota Vita class of the Madison Baptist church are: Mrs. Wanda Rich, president; Charles McManaway, vice-president; Ralph Ride, secretary; treasurer; Mrs. Gertrude Kinson, social chairman; Mrs. Naomi Myers, stewardess; chairman; Mrs. Maxine Dacus, visitation chairman.

Henry Reimers was elected and initiated as Watchman of the Shepherds of Calvary Shrine No. 24 in East St. Louis last week. Local people attending the ceremony were Mrs. Reimers, Mr. and Mrs. Paul Roseman, Mrs. Emma McFeynolds, Mrs. Gertrude Schult, and Mrs. Maude Schult.

Miss Martha Mosh of Mitchell has enrolled for a business course in St. Louis. She was graduated in June from Community high school and plans to study law.

Postmaster Charles G. Sowell returned Saturday from California, where he spent the past month visiting relatives and friends.

ANOTHER REPORTS ON JOBS FOR MIDDLE-AGED

To the Editor:

Bravo to Put-Out-to-Pasture. I know how she feels. I tried to find employment and I'm 40 years old. I have worked nine years at three places on assembly lines in my home town, but I might as well have nine hours' work.

So I took out a license to babysit in my home town, which has been a law since 1938.

I ran an ad in the Press-Record and had a success. Most people don't care about who takes care of their children, just so they are happy.

I charge \$3 a day for 2 1/2 years or younger. I feed the babies two meals a day and toilet-train them, which to me seems reasonable. Parents don't think it also costs more to use extra water, electricity, etc.

My gain is not too much. Would you work for less than 20 cents an hour?

LICENSED BABY SITTER

DEBT SHOULD BE PAID OFF, NOT MANAGED

To the Editor:

The amount of the national debt is unnecessary in the first place, the base date big-debt apologists have chosen for comparisons between public and private debt is almost transparently arbitrary.

If one pushes the base date back to 1941 instead of 1945, the amount of private debt remains about the same. But the increase of the national debt jumps to 500%.

This is obviously just an out-sized numbers game. Statistics are not important in themselves. Let us look at the spiraling debt in terms of the role it plays in our current economy.

Viewed in this way, it seems to me the shoe is on the other foot; the big debt plans appear to be the neurotic ones, not the people who are warning about the consequences of excessive debt.

Instead of trying to pay off the debt, our federal planners are trying to "manage" the debt.

**Some important information for every man who will need a new truck within the next 12 months**

**New Chevrolets are a lot more truck than your money bought the last time. Here are some of the things that have been done to give you more value for practically the same investment.**

**Double-wall construction.** This feature of Chevrolet cabs and the Fleetside pickup body has two advantages. Insulation and sound-dampening material is sandwiched between the two layers of steel in the cab to give you more comfort; in the body, the inner wall acts as a buffer against load damage, preserving the outer appearance of the truck.

**Suspension to fit the truck.** You get a much better ride in every size Chevrolet truck today than you used to.

Conventional half- and three-quarter-ton models have independent front suspension with variable pitch coils in the rear. Variable pitch coils do not "bottom out" as readily.

Mediums and heavies have I-beam suspension with variable-rate leaf springs. This variable-rate leaf-type suspension automatically stiffens as the load increases—and vice versa. It means a smoother, flatter ride regardless of load, a better handling truck.

**The right engine.** Chevrolet has been building truck engines since 1918 but never has it been in better position to give you the type and size you need for maximum efficiency. Today there are many different capacities of gasoline and diesel Chevrolet truck engines—four, six, V8's.

**Stronger frames.** Every conventional 1964 Chevrolet truck has a ladder-type frame. Formerly used on heavier trucks only, this type is more resilient, better able to give with the load and terrain, to stand up

under stress. Its simple design also makes it easier to mount special bodies on the truck. Its riveted side rails are stronger.

**Greater model selection.** This time you're going to find it a simple matter to pick the exact type of Chevrolet truck for the kind of work you do. In delivery trucks, for instance, in addition to regular panels and pickups, we have eleven different sizes of ready-made walk-in vans, some with full-width rear doors.

There are also the Corvair 95 vans with the air-cooled engine in the rear, and the Corvair 95 Rampside with its exclusive side-loading feature. These trucks have more power this year.

In the medium- and heavy-duty area there are stakes, tilt cabs, low-cab-forward models and cab-and-chassis units to suit almost any requirement—including school bus bodies of up to 66-passenger capacity. Dump truck operators now can order a Chevrolet tandem with either gasoline or diesel power.

**Quality and value.** Chevrolets today are a lot more truck than your money bought the last time, and yet the price tag is just about the same as 6 or 7 years ago. Call your Chevrolet Dealer for information or for a demonstration.

**\$16,540 Bill List Ok'd By Council**

A bill list totaling \$16,540 was approved Monday night by Granite City council members at a two-week period. There was no council meeting last week.

Of the total, \$141 went for fuel, parts and maintenance for city equipment.

City Engineer David Johnston was paid \$4415, of which \$416 was his regular monthly retainer, \$800 was for engineering services on the West 22nd street motor fuel tax project and \$3300 for the state street MFT improvement.

Alderman William McGee commented that in the five months he has been an alderman, he has never been introduced to the engineer, and has not seen him at the meetings.

McGee called for and was given a breakdown of the \$220 payment to Delbert Lampher, city hall handyman.

**Other Items**

Other items on the bill list included \$16 paid to Bellemeor Animal Hospital for rabies observation of a dog, \$10 insurance premium paid to Luaders Agency for school crossing watchman Ernest L. Adams, a former policeman; \$800 paid to Luaders Agency for premium on the police liability insurance policy, \$89 paid to Herman R. Muelder for three-year premium on the policy covering civil defense equipment.

A. H. Seebold Co. was paid \$85 for hauling the damaged fire truck to Freeburg several months ago, and \$777 for rental of other equipment to the city. Paid to the Illinois Municipal Retirement Fund for city employees' was \$2263 for August.

Allowance on the bill list were \$30 for June expenses of Alderman Paul Rutledge, \$280 for three police officers to attend a national pistol meet at Putnamville, Ind., \$96 paid to Troy Walcott for 750 boiler inspection fees collected in August and September.

**Roomer Starts Fire**

A fire caused by smoking in bed last Thursday night at 2131 Grand avenue was not started by Cecil Carnahan of that address as reported by the Granite City fire department in Monday's issue. Carnahan claimed. He said it was a roomer.

Alexander the Great and Cleopatra were emerald fanciers.

**Request For No-Parking Zone Along Cedar St.**

A request for a no-parking zone to be established in the 1600 and 1700 blocks of Cedar street at the Granite City Army Depot was presented to the city council Monday night by Alderman Walter Norn.

He said residents of the area were complaining of junk autos being left along the street by depot soldiers. The ordinance is to be prepared for presentation at next week's session.

## Farm Column

By IRUMAN W. MAY  
Madison County Farm Adviser

### Drouth Causes Problems

More dailymen are making corn silage in temporary horizontal silos this fall than in previous years because of summer drouth conditions in many areas, causing shortages of hay and pasture. Airlight storage, important in any silage structure, is doubly important in horizontal silos with large areas exposed to air. A wheel tractor equipped with a scraper blade does a good job of packing and leveling the silage. The material should be packed well along the edges and rounded over the top for good drainage.

A plastic cover will help exclude air and hold surface spilage to a minimum. The edges of the plastic should make a tight seal so that water will drain over the edge of the silo. It's also important to guard against holes in the plastic once it has been put in place. A small hole will reduce the value of the cover considerably.

Concrete floor's work best in horizontal silos. However, gravel, corn cobs or other suitable materials can be used in an emergency. Slope the floor at least one inch every four feet to provide adequate drainage.

Corn usually makes the best silage when the kernels are well dented and the lower leaves have started to turn. Corn that will

be put in a horizontal silo should not be allowed to get so dry that it won't pack tightly.

It's possible to self-feed cattle from a horizontal silo that has an adequate floor. However, a good feeder gate is essential to keep losses to a minimum. Suggestions for making satisfactory feeding gates are available at the farm adviser's office.

### Soft Wheat Profits

Today's new soft wheat varieties may be the answer to greater profits from your wheat crop, particularly here in the good soft wheat producing area.

In recent years market discounts for soft wheat have encouraged farmers to grow more hard wheat. But research at the University of Illinois Brownstown Research Center shows that higher yields of soft wheat more than offset these discounts. For several years, soft wheat varieties at Brownstown have been outyielding hard varieties by about 15 bushels per acre. And you'll need far higher premiums than are now paid to make hard wheat more profitable than soft with yield differences like these. The soft varieties have also outyielded the hard wheats consistently in the Madison county test plots.

In addition to producing higher yields, some of the newer soft wheat varieties have better resistance to yield-cutting soil-borne mosaic than most of the hard wheat varieties. Monon and Vermilion soft wheats have a short, stiff straw that makes the plant stand well even under high fertility. Monon and Knox, the earliest-maturing soft wheat, mature in time to beat the heat.

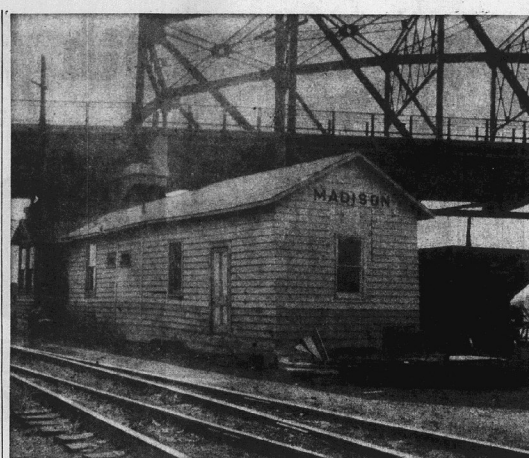

If everybody in your area grows one kind of wheat, it will usually pay you to do the same. But if your neighbors grow both hard and soft wheat, choose the one that will give you the greatest profit.

Recommended soft wheats are Monon, Vermilion, Knox 62 and Reed. Only a limited supply of Reed seed is available. Of the recommended hard wheats, stiff straw tops the list, followed by Pawnee, Pono and Triumph. Omaha and Tascosa were generally disappointing this year in variety trials.

**Poisonous Gases In Silos**  
Dry weather this summer may have increased the danger from poisonous gases in upright silos during and after filling.

University of Illinois dairy scientist Leo Fryman says the most dangerous silo gas is nitrogen dioxide, a yellowish-brown, heavier-than-air gas that tends to collect just above chopped silage. Nitrogen dioxide is extremely harmful to persons breathing it and is responsible for a number of deaths each year. The gas is most likely to form in a silo containing corn raised during drouth conditions.

Nitrogen dioxide gas can cause fillers' disease, a combination of severe chest pains and coughing

**MADISON RAILWAY DEPOT** located beneath the McCambridge avenue bridge where Illinois Central Railroad passenger trains between St. Louis and Chicago will begin making scheduled stops on Monday. The trains are due in from Chicago at about 1:10 p.m. and from St. Louis at about 3:10 p.m., central standard time. A small waiting room is to be added to the structure. The station is reached by going south over the viaduct and doubling back in the Cloverleaf Addition along a roadway which parallels the viaduct.

### Plans To Be Made To Aid Retarded

An open meeting of the Granite City Association for Aid to Retarded Children will be held at 7:30 o'clock Monday evening at St. John United Church of Christ on Namooki road. The newly-elected officers will be in charge and Mrs. Georgia Coccagne, president, will preside. There will be a discussion of the past year's progress by the Association and plan will be made for the coming year.

### Jury Decides Death Of Infant Is Accident

A coroner's jury ruled Monday night that the death of Roderick King, 16-month-old East St. Louis boy, was accidental and caused by internal injuries. The boy was run over Sunday night by a car driven by Chester Canada, 38, of 1026 (rear) Market street, Venice. The accident occurred in front of 1208 Logan street in Venice. Canada was released by Venice police on bond pending a hearing Sept. 30 on a charge of using fictitious license plates.

### Soybeans Being Combined

Soybean fields of the earlier-maturing varieties, chiefly Harrow, are being combined. Yields reported so far range from 14 to 30 bushels per acre. Weeds are a problem in many fields.

Harvesting of later varieties like Clark and Kent will be at the peak around the end of the month. The new Clark 63, an improved strain of Clark with resistance to phytophthora root rot, looks good. Fortunately there has been very little of the rot disease this year, so there has been no chance to check the disease resistance of Clark 63. Harry Deatherage of Chouteau township has a field of Clark 63 on Route 111, a mile south of Routes 66 and By-pass 40. He says the present field with its perfect stand of healthy, vigorously growing plants is much different from the same field three years ago when it was badly infected with phytophthora rot.

There is no way of predicting in advance when rot diseases will be prevalent and farmers will plant disease resistant varieties as insurance against disease losses. In addition to Clark 63, Harrow 63 and Hawkeye 63 have been developed for disease resistance for growers wanting earlier-maturing varieties. Farmers wanting seed of these varieties to plant in 1964 should arrange for their supplies early.

### Opti-Mrs. Club Plans Sale And Annual Guest Day

The first fall meeting of the Noonday Opti-Mrs. Club was held Monday at the Tri-Mor Bowling lanes with the members assembling for a 10 o'clock luncheon instead of the usual luncheon.

The hospitality committee consisted of the officers and board of governors, including Mrs. Carl Ranft, Mrs. Victor Anderson, Mrs. Paul Harshary, Mrs. Raymond Henley, Mrs. Russell D. Johnson, Mrs. David Parrish and Mrs. John Wilson.

Twenty-nine club members and four former members, guests for the day were present. The latter were Mrs. Omar Hehner of Orange, Calif., and Mrs. Rod Schoenliak of Muskegon, Mich.

Mrs. Wilson, president, was in charge, and the meeting opened with the Optimist Creed read by Mrs. Leonard Bickel. Mrs. Harold Fischer reported on the 1963 nurse training project of the club. Miss Karen Sue Dannerberg, who is the student being sponsored this year, entered Jewish Hospital for training early this month.

Plans were made also for a rummage sale Oct. 4 at the IOOF hall. The committee appointed for the latter project will consist of Mrs. Jody Todd, Mrs. J. Wallace Wyman and Mrs. Sam Meyer.

Mrs. Fischer is to serve as chairman of the annual guest day planned for Oct. 21 at 1 p.m. Holiday Inn.

After the business meeting there were games with prizes for Mrs. Mesdames Elmer, Anthony Michel, Elmer Branding, Todd, Gene Stenberg, John Sedlack Ted Aufderheide and Leo Roman.

The tables were decorated with milk glass containers holding fresh flowers. These later served as prizes.

## Frame-Maddux Engagement Is Announced

Announcement is made of the engagement of Miss Jo Anne Maddux, a daughter of Mr. and Mrs. C. T. Maddux, 1380 North Park drive, East St. Louis, to Fred A. Frame Jr., 2641 Edwards street, son of Mr. and Mrs. Fred A. Frame sr., 2449 Cleveland blvd.

The bride-to-be, a graduate of the East St. Louis high school, is employed as a secretary by the State Savings and Loan Association, East St. Louis. Her fiancé attended the local schools and studied at St. Louis University for three years. He is employed as a supervisor by the Granite City Steel Co., and is attending classes at Southern Illinois University.

### HOW TELEPHONES USED TO LOOK?

Every old telephone here was once the last word in service. But times and telephones change.

Remember when phones needed fixing so often that each one had a door on the front for the repairman's convenience? Today's telephones give many years of trouble-free service.

Remember when you had to talk loud to be heard? Today you can talk on the phone as if the person were sitting next to you.

Remember when technology limited telephones to one color and one model? Today you can have colors and models to suit your own good taste.

Continued development of better styling and engineering of telephones is another improvement made with you in mind. Our never-ending goal is to improve your telephone service and make it more valuable to you.

## Clark Announces Interpretations

Neither the State Finance Act nor the rule of the Department of Personnel providing for payment of moving expenses of employees transferred from one part of the state to another are broad enough to include payment of moving expenses of new employees into the state, according to a decision this week by William G. Clark, attorney general of Illinois.

Other decisions: Newspapers of Illinois must receive the statutory fee of 20 cents a line for publishing the county assessment list. The county board has no authority to change the rate by entering into a contract for a lesser rate. Expenditures can be made legally from the road fund to the State Department of Conservation to participate in development of a lake near Taylorville. Such an appropriation of \$200,000 was made by the General Assembly last month.

Inmates of county non-penal institutions are deemed residents of the election district where they lived just prior to becoming an inmate if their presence in such an institution is involuntary and they maintain a permanent residence.

A county government has the authority to accept gifts of money from private individuals and civic organizations to defray part of the costs of building a new county nursing home.

The state of Illinois is empowered to take action which has been authorized by Congress, irrespective of the Illinois Constitution. The state constitution cannot be used to abrogate or limit the duty and authority of the state in contracts or agreements undertaken with the federal government.

The Illinois Building Authority may authorize state institutions and departments to take bids on construction work and equipment and then assign these bids to the Authority for letting and the awarding of contracts.

## City Gets 10-Year Option To Buy Tract

Granite City will have 10 years to decide if it will buy a 35-foot tract along Wabash avenue at Johnson road to extend the Wabash avenue parkway.

An option was received during Monday night's council session from John Sobel, who plans to erect a building for a drug store on the remaining 50 feet of the tract. Zoning on the tract recently was changed from R-1 residential to C-1 commercial. When the city decides to purchase the 35-foot tract, three appraisers are to be appointed to set the price.

STANDARD-SIZE DODGE HARDTOP, one of 40 models in four series which will be introduced by the manufacturer Friday. New Dodges will go on display that day at Farrington Motors, Inc., 1911 Madison avenue.

## 1964 Dodge Will Make Debut Here On Friday

The 1964 Dodge, with a lineup of 40 models in four series, will go on display Friday at Farrington Motors, Inc., 1911 Madison avenue.

Back again are the family-size Dart compact, the standard-size Dodge and the 880 and Custom 880 series.

The 22 models in the standard-size Dodge line are in three series: the 330, 440 and Polara. "Sports packages" are available on the Polara two-door hardtop and convertible.

Dual taillights are featured on the 330 and 440 series. Fourteen different exterior colors and 16 two-tone combinations are available this year.

Wider Rear Track Dodge's track—the distance between wheels—has been widened by two inches at the rear. Two-door hardtop models will feature a "semi-fastback" roofline, while other styling changes include a more massive wrap-around bumper and a convex aluminum grille of thin, vertical bars.

The standard size Dodge buyers will have a choice of six engines, from the 145-horsepower six to the Ramcharger 426, rated at 425 horsepower. Ramcharger-equipped Dodges have 11-inch heavy duty brakes, heavier suspension and a sway bar.

Dodge offers three or four-speed manual transmissions and the three-speed TorqueFlite automatic transmission on its standard-size models for 1964. Dodge's golden anniversary.

Nine Dart Models Nine models will be offered in the compact Dart series, for which Dodge claims a 145% increase in sales during 1963. Compression ratios have been upped on the Dart's two available power plants, the 170 and 225-cubic inch six-cylinder engines. Rear windows on 1964 Darts

## Meeting Tuesday On Mitchell Park Plan

The Mitchell Park & Athletic Association today reminded residents of the proposed park district in Chouteau township of a public meeting at 7:30 Tuesday at the Mitchell school gymnasium.

Pros and cons of establishing a park district will be discussed and a film on the advantages of such a district will be shown. All 11 candidates for park board commissioners have been invited. Residents of an 8.8 square-mile area will vote Sept. 28 on whether or not to establish the district. The candidates will be on the same ballot.

## New Assignments For 2 GC Airmen

Two Granite City men have received new training and duty assignments in U.S. Air Force job specialties following completion of their basic military

training at Lackland AFB, Tex. Airman Warren L. Woodward, son of Mrs. Florence E. Woodward of 3116 Davis avenue, will study to be a communications operations specialist at Sheppard AFB, Tex. Airman Johnnie H. Martin, son of Mr. and Mrs. Charles F. Fouts of 2612 Jordan avenue,

will go to Dyess AFB, Tex., for training and duty as a warehouse specialist. Both men are 1963 graduates of Granite City high school. Aircraft propeller blades are usually made of hollow forgings of alloy steel containing one to two percent nickel.

## MOVE UP TO CHRYSLER '64

Engineered better...backed better than any car in its class

The '64 Chryslers are here: the luxurious New Yorker (above); sports-bred 300; and the surprisingly easy-to-own Newport.

Clean. Crisp. Handsome. Designed in the modern concept. Bold but not brassy. Engineered by men who have accounted for more "firsts" than any automobile maker. So well built the vital moving parts are warranted for 5 years or 50,000 miles. (Details below.)

The '64 Chryslers are full of news: there's an optional steering wheel you can adjust, up or down, to any one of seven different positions. Bucket seats are standard on 300 models (passenger's reclines).

These are the '64 Chryslers. They have no junior editions to compromise your investment. Go see them. Move up to Chrysler '64.

**Solid protection for a solid investment . . . 5-year-50,000-mile warranty.** Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 3,000 miles, whichever comes first, the oil filter replaced every second oil change and the car's air filter cleaned every 6 months, and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

ECONOMICAL NEWPORT, one of three 1964 Chrysler series which goes on display tomorrow here.

## New Chryslers Shown At Maddox Tomorrow

The 1964 Chryslers will be an optional seven-point steering wheel, bucket seats standard on 300 models and the one on the passenger's side reclines.

Chrysler comes in three series—the luxurious New Yorker, the sports-bred 300 and the economical Newport.

### Outside Sewer Tap-On Approved By Council

Permission was given Ottilio Valencia to connect onto the mysterious Nameoki area sanitary sewer line at the rear of his new home, 1707 Bremen avenue, outside the city limits. The sewer extension is not shown on any city maps.

The vote by the city council Monday night was 12-to-3 favoring the tap-on with Valencia to pay the city the \$220 connection fee, the cost of making the connection and the \$230 monthly rental fee.

Council members agreed to relax an earlier decision not to permit any further "outside" tap-ons because of problems and costs arising from sewer breaks.

However, in view of the lack of knowledge on the existence of the extension outside the city limits and connections by several other property owners that are over the boundary line, Valencia was given an ok. He pointed out to the members that he had been told by a girl in the city hall that all he would have to do would be to apply for a tap-on and it would be approved.

Council members indicated they would not grant any further tap-ons for non-residents. It was pointed out that sanitary sewers were a benefit for Granite City taxpayers.

Set a bad example and no one knows what will happen out.

### Bids To Be Sought For Police, Fire Chief Autos

Authorization was given during Monday night's council session for bids to be sought for a sixth police patrol car and for a new auto for the fire chief. The fire chief's present auto will be assigned to the assistant chief.

The addition of a sixth police patrol car and a new auto for the fire chief were included in the city's new budget. The newest police car will be kept at the regular trade-in date of other police vehicles about January.

### Cpl. Cotton At Beaufort

Marine Lance Corporal James A. Cotton, son of Mr. and Mrs. Anderson Cotton of 82 Wright Homes, Venice, is a member of All Weather Fighter Squadron 451 at the Marine Corps Air Station, Beaufort, S.C., recently participated in three days maneuvers at Roosevelt Roads, Puerto Rico.

## Weed Cutting Bids To Be Sought Yearly

A new policy to contract for weed cutting was outlined Monday night for Granite City council members and is to be started next spring to avoid the hiring of two weed cutters. Bids for a new contract are to be sought before May 15 of each year to contract for the work for one season. At present, a three-year-old contract with Leo Kamadulski is being followed, and this year a second man, Clarence Whitford, was hired to cut weeds in the old East Granite cemetery. Both are

paid at the rate of \$2.95 for a 50x125-foot lot. The proposal was presented by Street and Alley Committee Chairman G. H. Sternberg at the request of the council. Sternberg said he consulted with the mayor on the procedure. There was no explanation available on the reason for hiring a second weed cutter. Kamadulski appeared before the council several weeks ago to register a complaint.

## Sept. 25 Last Date For Wheat Premeasurement

M. Lee Rogers, office manager of Madison county ASCS, announced today that the final date for taking advantage of premeasurement of wheat ground is Sept. 25.

Farmers who wish to stay within their 1964 wheat allotment may take advantage of this service offered by the Madison county ASCS office in Edwardsville.

There is a nominal fee of \$2 per farm, application plus seven cents per allotment acre with a \$4 minimum cost per farm, Rogers said. The producer makes the application at the county

Granite City PRESS-RECORD  
Page 36 Thurs., Sept. 19, 1963

office, where he pays his fee and then informs the clerk which fields or parts of fields they will seed to wheat this fall. He should also inform the clerk about deductions, waterways, etc., Rogers said.

After preliminary measuring in the office, a reporter will visit the farm to confirm measurements and set stakes where needed. The farmer may then seed this previously designated area and avoid mistakes, over-seeding, adjustments fees and destroying excess wheat in the spring.

This premeasurement service is voluntary for those who wish to take advantage of it, Rogers said. "Many farmers were under the impression that they were required to pay for reporter to measure wheat. This is not so. Only producers who come to the office and request this service will pay their fees and receive premeasurement," he added. All other producers who wish to stay within their allotment, and rely on guess or estimate will be measured as they have in the past, and any adjustment or corrections or disposition of excess wheat will be made in the usual manner, with an adjustment fee, Rogers explained.

## Page Sets Dates For Language Teacher Meets

Ray Page, State Superintendent of Public Instruction, today announced that four regional conferences for teachers of foreign languages in elementary schools will be held at Charles-

ton, Chicago, Rochelle and Carbondale. The first session will be Oct. 12 at Eastern Illinois University at Charleston. Other meetings scheduled are at Roosevelt University, Chicago, Oct. 19, Central School, Rochelle, Nov. 9, and Southern Illinois University, Carbondale, Nov. 19. These conferences will inform

teachers of foreign languages on all levels, prevailing techniques and materials being used in the teaching of foreign languages in the grades. Special emphasis will be placed this year on the transition from oral teaching to instruction in reading and writing. The sessions will inform

## Higher Pay Scale For GC Humane Officer Rejected

A recommendation by Mayor Davis for the pay of the city humane officer to be increased to equal the prevailing rate of street department employees was voted down Monday night by Granite City council members.

The humane officer, Scott Craycraft, now receives \$481 a month including the \$21 pay boost granted retroactive to May 1, and street department workers receive \$516.

Alderman Paul Rutledge, chairman of the Finance committee, stated he did not believe the pay scales should be the same. However, Mayor Davis pointed out Craycraft is doing an exceptional job and is subject to call day or night, seven days a week.

A round-robin debate followed with aldermen expressing various views. Several other debates on sick leave, and pay policies also were pursued. It was pointed out the city furnishes a vehicle and that the job could be filled at any time at the current salary.

### Rate Was Specified

Edmund Bartosiak pointed out Craycraft was hired at the specified rate. Steve Basarich suggested the office be limited to eight hours, five days a week. However, Mayor Davis explained there could be eight-hour periods when not a complaint would be received and other times when the dog catcher would be swamped with work.

Walter Nann pointed out the job was the "most disagreeable" in the city, and with only makeshift facilities in which to keep animals, it was even more difficult.

William McGee added that the responsibilities of the job were not on a par with those of policemen, firemen and street workers. A brief side debate on the use of a special gun to put animals to sleep broke out. Nann said the dog catcher was forbidden to use it. Other aldermen said the council had given its permission. The mayor advised that because of complaints, it was not being used.

Rutledge presented a motion that the humane officer's pay be kept at the present level. Voting for the motion were Aldermen Donald Partney, Rutledge, Mrs. Gabrielle Bettencourt, Bartosiak, Ford Johnson, William Dallas, William McGee, Charles Mueller and G. H. Sternberg. Voting "no" were Nann, Casmer Skubish, Samuel Whitmer, Basarich.

J. D. Bergfield and Clyde Boyd, **Sick Leave Still Pending**  
Even though no report was presented, a debate also developed over the activities of a sick leave committee to study a sick leave policy for city employees.

Rutledge, who was named chairman of the special group, asked for permission to call in Frank Mansfield, an expert in the field, to determine if there would be a cost in his aiding the city in setting up such a program.

It was brought out during the discussion that the city has no set policy but that it could cost an additional 10 to 12 cents an hour for each employee. Several aldermen said they were of the opinion a definite program would not be instituted until after the present two-year wage agreement expired.

However, the debate continued over the need for a uniform policy. Comptroller John Docher was called upon and said that in the past some employees have been paid for up to two or three months.

Skubish commented, "The more we talk about this the more people think they will get. We're not in a position to pay any benefits for a year or two."

No motion was made and no vote was taken, but Rutledge indicated the committee would talk to Mansfield to get his views and submit a report to the council.

Under the Finance committee report, Rutledge told council members an opinion from the city attorney was that the \$100 reimbursement sought by City Treasurer-Tax Collector Ernest "Fat" Rich for errors in making day-to-day deposits during the recent tax collection periods was not a liability of the city.

Comptroller Docher, who said the procedure of reimbursement had been followed in past years, is to give the city the dates of such reimbursements.

## Hearing On Vice Case Set At Edwardsville

A hearing will be held at 10 a.m. Saturday in the court of Police Magistrate William Trauband in Edwardsville for three persons arrested as a result of a sheriff's office vice raid at a motel early last Saturday near Collinsville.

They are Willard "Ned" Ford, 45, charged with keeping a place of prostitution; his brother John Ford, charged with soliciting for prostitution; and Mrs. Penny Scott, 31, charged with prostitution.

John Ford and the woman were arrested by sheriff's deputies and state police at the Park motel, which they listed as their residence, and Willard Ford was arrested late that day. The sheriff's office said Mrs. Scott solicited one of the deputies when he entered the motel.

Willard Ford, who is awaiting the outcome of an appeal in federal court of a five-year prison sentence last year for transporting stolen jewelry across a state line, was released on \$1000 bond. The other two are free on \$500 bonds.

There was only a brief debate on the added help for the treasurer's office.

### CHURCH COURSE PLANNED

An invitation is being extended to all who attend the Sunday worship service at Trinity Methodist Church to attend a School for Christian Workers from Sunday, Sept. 22, to Wednesday, Sept. 25, at the Niedringhaus Methodist Church. Subject of the instruction will be "Learning for Christian Living and Service."

Dr. W. L. Cummins, district superintendent, and a staff of selected leaders will participate under the leadership of Bishop Voigt.

Rev. Clair Clark, pastor of Trinity Methodist Church, is attending an area meeting at East Bay Camp, Bloomington, Ill., today and Friday.

### Safe Driving Hints For Fall Season Given By Motor Clubs

Fall vacation time and weekend trips to attend college football games along with autumn sightseers are expected to jam highways and byways.

Motor clubs, including those in the metropolitan area, are urging caution, even on familiar roads. Motorists are being asked to be alert to the road at all times and avoid temptation to concentrate on the scenery.

Five safe driving hints for fall are—  
"1. Don't hurry—Avoid driving too many miles during your

trip. A good way to estimate the one-way distance you should travel from home is to multiply the number of vacation days by 100. If you are using toll roads or expressways, you can stretch the distance a little.  
"2. Stay alert—Drive only when you are fit. Avoid so-called pep pills and tranquilizers. If you are tired, stop and rest.  
"3. Drive in daylight—The best time to be on the road is in the daytime during normal waking hours.  
"4. Share the road—Cooperate

Marine Lance Corporal Dennis R. Martin, son of Mr. and Mrs. Louis L. Martin of 2118 Iowa street, serving with Marine Battalion Landing Team 1-6, a Second Marine Division unit in the Mediterranean, recently visited Cannes, France. His week in Cannes included arranged trips to Paris, fishing tours in the French Alps, and pilgrimages to the Shrine of Lourdes for Catholic personnel.

### ATTEND STATE FAIR

Mr. and Mrs. Bill Bollinger and children, Alta and Mark, attended the Southeast Missouri State Fair at Cape Girardeau, Mo., during the weekend.

### Hit-And-Run Accident

An auto owned by Roscoe Clapper, 2403 Dewey avenue, was struck by a hit-and-run driver while it was parked in front of his home. It was reported to Granite City police at 7:45 a.m. Tuesday. The left front fender was damaged.

### Rosh Hashonah, Yom Kippur Services Set

There are no formal religious observances of Rosh Hashonah, the Jewish New Year, in the Quad-City area, and there will be none for Yom Kippur, the

Jewish day of atonement to be observed on Sept. 28. However, most Jewish residents will attend services at East St. Louis and Alton. Services were held at 6:30 p.m. yesterday and at 8 a.m. today and will be held at 8 a.m. tomorrow at the temple of the Agudas Achim Congregation, 425

**"GLEAMING WHITE ALUMINUM EXTERIOR"**  
Little or no down payment for this fully insulated 5 room cottage. A brand new Gas F.W.A. heating system. Wonderful all purpose room right off the kitchen. Utility bills are at a minimum. Vacant and available for immediate possession.

**NIEDRINGHAUS SCHOOL DISTRICT**  
A brick bungalow with carpeted living room and dining area. Mirrored wall over the mantle and fireplace. Tiled bath has shower enclosed with colored fixtures. Kitchen has built-in dishwasher. Full basement. Attached garage. Fenced-in yard loaded with fruit trees. Tip-top condition at \$18,950.

**MARYLAND HEIGHTS**  
In the Frohardt School District — a 3 bedroom brick awaits a new family. Air conditioning—built-in—insulated ceiling and walls and central heating plant that's fired with gas. Closet space galore, tiled floors in all but the living room (new carpet); outside there's a screened in patio for Bar-B-Q's in the fall. Garage big enough for any size car.

**BUNGALOW ON RALPH ST.**  
Retirement near, so the house must go. Offered to any and all for the promise to maintain in the same manner. Many houses have gone into keeping this house in good shape. Frame construction and plastered interior. Washer and dryer in the full basement. Venetian blinds, dining room and living room comfortably colored in Tawny beige. Priced right to move.

**DRIVE-IN BASEMENT**  
Located on top of the hillside with a lake near by—12 minutes from town on a 80' fronted lot. Should be completed in 2 weeks with the built-in oven and range going into the birch cabinets. City water and natural gas. A vanity sets off the bath. Combination storm sash on aluminum windows with marble sills (main entrance). Patio in rear on a terraced lot. Brick veneer. Every complement a woman wants is here. Call for an appointment.

**ON E. 27TH STREET**  
2 bedroom brick veneered cottage. Solid oak floors that won't stain. Shower over tub. A full (very dry) basement with painted walls and floor. The windows are protected with combination alum. storm sash. No repairs or redecoration to move in. Landscaping in front and rear yards blend with the neighborhood. Call for appointment. The price is about an offer.

**WALKING DISTANCE TO NEW ICE RINK**  
This winter the kids can hop, skip and jump to the new ice rink in Wilson Park. Even the little ones can play outside with painted walls and floor. The windows are protected with combination alum. storm sash. No repairs or redecoration to move in. Landscaping in front and rear yards blend with the neighborhood. Call for appointment. The price is about an offer.

**4 BEDROOMS UPSTAIRS**  
All the family conveniences desired. Space — all large plastered rooms, dining room, large kitchen filled with cabinets, and living room downstairs. Floored attic with separate stairs permits additional space for clothes (Christmas gifts) or whatever your needs may be. Extremely large lot—fenced-in yard. It's hard to find a better buy for \$11,900.

**8 ROOMS — RENT WITH OPTION**  
School is 1/2 block away—Shopping just around the corner — The basement is full—the rooms are large. Exterior is combination brick and tile shingles. A family that needs room can purchase a 3000 down payment on an exclusive rent with option agreement. Painting your own colors will add personality suitable for comfortable living.

**BELLEMEOR ACRES**  
Shopping center area with a congenial neighborhood. Vacant and available for immediate possession—1 1/2 garage with over-sized doors makes putting the car away mighty easy. Insulated to the hilt and heated with a new furnace. Kitchen gives Mom plenty of elbow room. Tiled floors throughout. Closets are double sized. Excellent way to start out a new way of life with a \$250 down payment.

**4 FAMILY FRAME**  
Pick up the rent each month and you're the landlord. Sale of property is Liquidation of Estate. Heirs will trade or finance with cash and make buyer on a \$300 down payment. Each unit has 3 rooms and bath facilities. Tenants pay own utilities. For a small investment—someone can realize a return good in 8 years. Work required? Pick up the monthly rent.

**BUSINESS OPPORTUNITY**  
Established clientele in this scope of business permits the new owners to start off with a good return. Last year's gross was fair at \$30,000. Family business that can be handled with ease. Labor involved is semi-skilled and supply is great. Future is unlimited and financing available. Call for particulars.

## Services Sunday

## Eastern Orthodox Church To Observe Anniversary

The Nativity of Virgin Mary, Eastern Orthodox Catholic Church will observe its 63rd anniversary with a banquet at the Madison Memorial Recreation Center, 21st and Lee avenue, at noon Sunday.

Friends have been invited to join in the morning Liturgy at 10 o'clock at the church and to take part with the community at the Center in the noon meal. After the banquet there will be a social time in the church hall, 416 Ewing avenue.

The Ladies Sodality will receive Holy Communion as a group on the Feast Day of the Nativity of the Holy Virgin, Saturday. The Liturgy will begin at 8:30 a.m. Confessions will be heard Friday from 4-5 and 6-7 p.m. and after the evening service. Immediately after the liturgy Saturday, a Communion breakfast will be served.

The church is in the midst of a building program. With the demolition of the home on Fifth street, the parish will begin the second phase of the program.

The Rev. Theodosius Lazar is pastor of the church.

## Masonic Lodge 877 Family Picnic At Park On Sunday

The annual family picnic of Granite City Masonic Lodge 877 F&M, is scheduled to begin at 1:30 p.m. Sunday at Wilson Park. It was announced today by Harold E. Brannan, lodge master.

All members and their families are being urged to attend the picnic, which will be held at 21st and State streets.

Davis is asking the members to notify him or George Lipscomb, Grover Brannan or Gerald Ezzell for reservations in order that preparations may be made.

Pot luck style serving is planned with barbecued chicken, pork steaks, ice cream to be furnished by the lodge. Entertainment is being arranged by the Royal Arch Widows.

On Saturday, the lodge will confer three master Mason degrees with the ceremony to start at 2 p.m., followed by a dinner at 5:30.

The new master Masons are: Owen Harrison, Kenneth Peterson and Abner Branding.

A fraternal visit from Marion Lodge 35 of Indianapolis is planned for Sept. 28 with a reception held at 5:30. About 200 persons are expected to be present.

## Wabash RR Stop Change Hearing Today By ICC

(Special from Springfield)

The Illinois Commerce Commission today began the continuation of its hearing on the petition of the Wabash Railroad Co. to change signal stops at Granite City and Edwardsville and to discontinue a stop at Staunton.

Granite City Atty. George Pilcoff Jr. advised the Press-Record Monday night that because of Granite City's objections to the stop change that the railroad is amending its petition involving the local stops by passenger trains. The exact details are to be made public during the hearing.

Originally, the railroad company asked that its train which leaves St. Louis at 9:15 a.m. be required to stop at Granite City only for passengers who are going to Decatur or beyond.

It also asked that a train from Chicago to St. Louis, which stops now at Edwardsville at 8:07 p.m., be required to stop only to discharge passengers who have boarded at Decatur or north of there.

The railroad asks that the same be permitted for its Chicago to St. Louis train which stops at Edwardsville at 3:18 p.m.

In addition, the railroad company wants to discontinue Staunton, a 6 a.m. stop of its Detroit to St. Louis train because the company points out that the same train stops at Litchfield at 5:43 a.m. and anyone wanting to board the train, can go to Litchfield.

## Boy Removes Coin Box, Loses Money

A boy was successful in removing the coin box of a parking meter after 11 p.m. Tuesday on 21st street between Edison avenue and State streets. But he apparently panicked and lost everything.

A witness standing on the corner said the boy ran west on 21st street and fell at the alley driveway used by patrol cars in entering and leaving the police station.

Two handfuls of pennies and nickels were found around the parking meter post and on the sidewalk where he fell. Also found on the walk were the coin box and the boy's cigarette lighter.

## Soda Machine Looted

A soda machine in front of Burchman's service station, Venice avenue and Nameoki road, was broken into and the coin box was removed. It was reported to Granite City police at 4:15 a.m. Tuesday. Some bottles of soda also were taken. The amount of money in the coin box was undetermined.

## Attempted Break-In

Two panes of glass were broken out of the front door of the Fina service station, 21st street and Niedringhaus avenue, in an attempted break-in. It was reported to Granite City police at 2 a.m. Tuesday by a night watchman. There was no entry.

## Mrs. Ketring Hospitalized

## Two Apartments, 8 Homes Planned At 2700 Center St.

The initial building permit has been issued for a home to be erected in the new Parkside Manor subdivision, which will be in the extended 2700 block of Center street.

Planned for the subdivision are eight single family homes and two 16-family apartments. The first permit was for a three bedroom frame and brick home which also will contain a living-dining area, kitchen, family room, two full baths, full basement and single-car garage. There will be three and four bedroom homes.

Streets and utilities already are in the new 14-lot subdivision which is being developed by Richard Kostoff, with Henry Ross Construction Co. to do the building.

One apartment building is to be built in the near future and another at a later date. The first apartment structure will be two-storied and will contain four one-bedroom units and 12 two-bedroom units.

ROADWAYS AND UTILITIES ARE IN and the first building permit has been issued for a home in the new Parkside Manor subdivision of the north end of Center street. Eight homes and two 16-family apartment houses are planned for the area.

## Anyone Who Wants To Go

## Aldermen Vote 9-6 To Ok \$100 Convention Expense

Granite City council members said the practice had been carried out in the past by Granite City and was a custom in other cities.

While there was no debate, the procedure has been criticized in past years, and suggestions have been made to send one or two aldermen, who would submit reports to the council on matters pertaining to the city.

Voting against the blanket motion were Aldermen Donald Partney, Paul Rutledge, Samuel Whitner, William Dallas, William McGee and G. H. Sternberg. Favoring the sending of any number of aldermen, each with a \$100 expense allowance, were Norn, Steve Basarich, Clyde Boyd, J. D. Bergfield, Ford Johnson, Edmund Bartosiak, Charles Moerlen, Casner Skush and Mrs. Gabrielle Detiene.

Alderman Earl Thompson was absent.

No action was taken on a request for Assistant City Inspector William Jenkins to attend a state conference on weights and measures to be held today in Springfield.

## GC Men Will Attend Savings & Loan Meet

Representatives of three Granite City savings and loan associations will attend the Illinois Savings and Loan League convention Monday through Wednesday at the Chase-Park Plaza Hotel in St. Louis.

Attending will be B. F. Little executive vice-president, and Robert E. Backs, secretary-treasurer of State Loan & Savings; David Knollman, credit manager of First Granite City Savings & Loan; and A. J. Froelinger, executive vice-president of Madison County Federal Savings & Loan.

Other persons from the three associations will also attend various sessions of the 84th annual affair.

More than 800 persons from throughout Illinois are expected to attend. President Norton P. Elder of Cahoonburg will make the annual report to the league's 845 member associations.

## Headlights Only

## Driving With Parking Lights Now A State Law Violation

Driving an auto with only the parking lights turned on is now a violation of the law. Secretary of State Charles F. Carpenter today warned motorists that as a result of an amendment to the Uniform Act Regulating Traffic on Highways enacted by the 1963 session of the General Assembly, the only time parking lights may legally be used by themselves is when the vehicle is at a standstill, Carpenter said.

## Headlights When Raining

Another change in the lighting regulations is the requirement that headlights be turned on at any time of the day when visibility is so limited that they are needed for safety, as when rain is falling or a heavy overcast obscures vision. Prior to the change, lighted headlights were required only from sunset to sunrise.

Because of those two changes in the law, motorists are now required to turn on the headlights.

## Toastmasters Resume Their Regular Dinners

Granite City Toastmasters resumed their dinner meetings following the summer vacation period Monday night at the Rose Bowl. Tom attended, and Dr. Leo Coleman won the award of the week after reviewing laws relating to illegal operations.

Marvin Dean spoke on "How to Choose a Subject." Earl Tucker served as toastmaster. Earl Lee was general evaluator and Earl Youngs and Charles Withers were critics. The honor award went to President Herman Mueller. A location was not set for the next meeting Sept. 30.

## County Sales Tax Tally At \$71,000

County sales taxes based on May liability and June collection amount to \$17,129 for Madison county. County Clerk Miss Eulalia Hotz has been advised by retiring Illinois Revenue Department Director Theodore J. Isaacs.

Gross figure was \$17,834, with \$1 protested and \$713 deducted as the state's 4% fee to offset administrative costs. The half-cent-dollar levy is paid to Springfield along with the state's three-and-a-half-cent tax. It is then relayed to the county treasury at Edwardsville.

Totals for the year are \$71,155—a \$14,227 average for the five months—and \$563,566 since the tax went into effect in this county Oct. 1, 1957.
